UFUMU WA MULUNGU

Bukhu La Ophunzira

2.1 Nkhani Za Mmudzi

Nzibambo wina wa ku India anapita MMudzi wina kumene amagwirako ntchito. Anafunsa nzimayi wina kuti mderako kuti kunakakhala Yesu Khristu ndi mtsogoleri wa kuderako kudakawoneka bwanji. Umrai, mmodzi woyankhula mmalo mwa azimayi, anafotokoza kuti mudzi umenewo kunakapezeka anthu wogwirizana ndipo odalirana ukhala muumodzi. Amadziwa kuti Yesu samalemekezeka ndi mmene mudzi mwake munagawanikana. Banja lirilonse limakhala palokha. Chifukwa cha yankho la mzimayi uja, gulu la azimayi ammudzi uja linapanga komiti la thanzi ndi gulu lozinthandiza wokha. Azimayu asanu ndi anayi anayamba kukumana pafupipafupi mwamphamvu ndipo anali ndi chidwi. Mamembala a gululi aliyense anali kusunga ndalama ku akaunti ya gulu ndipo anayamba kukonza mavuto amene amakumana nawo mmudzi muja. Umrai anakhala wa pampando wa mukomiti ndipo anagwiritsa ntchito mphatsu yake yautsogoleri popanga mapulani ndi kusonkhanitsa anthu ammudzi muja kuti akachite zinthu zimene Yesu anakacgita anakakhala kuti lye ndi Mtsogoleri.

Azimayi aku Uganda amene amakonana ku maphunziro a baibulo anagwirizana kutumikira mmudzi mwawo mmene Yesu anakatumikira. Anagwirizana ndikupanga mapulani a pulojekiti yawo yoyamba: kuchotsa zinyalala kuzungulira bara (malo omwera mowa) yina yammudzimo. Azimayi ena awiri analimba mtima nalowa m'bara muja. (nthawi zones, mahule okha ndi amene amalowa mmabara). Anapempha chilorezo kuti achotse zinyalala. Ayini ake a bara yija modabwa anaseka, komabe anawaloleza. Azimayi aja anasonkhanitsa anthu ammudzi, ndi anthu ochuluka amene anadzipereka, gululi linakumba mayenje awiri: dzenje lina lotayira zinthu zimene zingathe kugwiritsidwanso ntchito ndipo linalo la zinthu zosafunika. Pamene anthu amene amabwera pabara paja anaona anthu akukonza kuwachotsera zinyalala zija nawonso anabwera ndikuwanthandiza anthu aja. Chikondwerero cha anthu ammudzi chinakula, pamene eni ake amabara aja anapitiliza kukonza mmalo awo.

Molimbikitsana, azimayi anagwirizana kuti amange sitovu asanu ndi anayi kumabanja akumudzi ndipo kupereka mosungiramo madzi kwa anthu ovutika. Keneka, gulu lophunzitsana baibulo lija linagwirizana za pulojekiti yayikulu: kumanga msika kumudzi kuja. Azimayi akumudzi amayenda ulendo maola ochuluka, atanyamula madengu amasamba ndi katundu wina kupita kumsika. Kutikakhala ndi msika pafupi zinkanawathandiza kupeza ndalama komanso kuubweretsa pafupi ndi mabanja awo, mmudzi wawo ndi mminda yawo. Anapatsidwa malo mwaulere, koma panali potsetsereka kwambiri kuti ayambe kumanga msika. Azimayi aja anapemphera kwa Mulungu ndipo anthu amene amakonza mseu pafupi anabwera mosawakakamiza ndi chigalimoto chawo ndikuwakumbira mwaulele kusalaritsa pamalo paja. Ndi thandizo lochokera kwa Mulungu azimayi ochokera mugulu la zimayi opemphera ammudzi muja anapeza ndizinthu zina ndipo anatolera zida zinanso, anasunga ndalama ndikumanga msiku wa mmudzi muja. Moyo wawo wauzimu unakula pamene amawatumikira ena mmalo mwa Yesu.

Kambilarani

- Kodi chinachitika ndichiani munkhani ziri mmwambazi?

- Chifukwa cha anthu amene akupezeka munkhanizi, kodi mudziwo unabwera pamodzi mmene zimayenera kukhalira ngati wina aliyense anakakhala mmene Yesu amakhala? Nanga chifukwa chiani?
- Kodi zinthu zimene magulu akupezeka munkhanizi anachita ndi zotani?
- Kodi inu mungachita zimenezi ku madera anu?

5.1 Kukhuzika kwa Banja Limodzi

Banja Lina Lachikhristu Linasintha Zinthu

Zaka zinayi zapitazo pamene Mtumiki wina wa Mulungu anasamukira kudera lina limene anthu ake anali amtundu wa chi Hindu. Mudzi umenewu unali ku Himalayas 1,000 fiti pamwamba pamadzi. Kungokwera kachitunda pang'ono kuli munda wa tea. Ichi chimapereka ntchito kwa anthu ambiri amudzimomo. Komabe, ndalama zimene amalandira zinali zochepa ndipo anthu ambiri amavutika ndingakhale amagwira ntchito.

Mudziwu unalu wopangidwa ndi zitunda makumi awiri ndi zisanu, manyumba ake anali omangidwa ndimatabwa ndizipangizo zosakwanirakomanso malata anali okhomedwa patalipatali. Mmudzimomo mudalibe zimbuzi. Chifukwa panali pamwamba komanso pozizila; komabe, ana amudzimomo analibe nsapato komanso utupikana ndimimba zawo ainali zazikulu.

Nyumba iliyonse inali pamalo ochepa. Malo ophikikira panalibe chifukwa cha ichi amaphikira mukachipinda kapakokha kakang'ono ndipo amasonkha moto, amayika mpoto pamwamba pamiyala yayikulu bwino itatu. Panali nkhuu zimene zimangolowa ndi kutuluka mothamanga mmanyumba muja ndipo chifukwa chachimenechi pakhomu pamakhala posasamalidwa bwino.

Sukulu yoyandikana nayo yinali kudutsa mitunda iwiri. Inali kutali kwambiri moti ana amavutika kuyenda tsiku lililonse pakuti amakhala ndi ntchito zochuluka kunyumba. Pachimenechi, ana ambiri amalephera kupita ku sukulu. Akuluakulu ambiri amalephera kulemba kapena kuwerenga, choncho anthu akumidzi yoyandikana nawo amawawonelera kwambiri.

Kunali minda yochepa chifukwa madzi anali patali kuyenda 2 kilomita kumene anamanga zosungira madzi. Zinali zovuta kwambiri tukatunga madzi okumwa ndi wochapira, kapena ongothilira mminda mwawo. Poyamba panali mapaipe kuchokera pamalo osungira madzi aja, koma sizinathandize ndipo anthu aja sanakhonzenso mapaipe atawonongeka.

Mvula imagwa mwakamodzika modzi kupatula nthawi yodzala pamene kumagwa mvula yochuluka kuti apeze mpunga umene uli chakudya cha mdzikomo. Panalibe malo ambiri ndiponso nthawi yochuluka yoti angadzale masamba. Akakhala ndi mwayi amakolera mpunga wochuluka umene amadya kufikira nthawi yokolera.

Anthuwa anali ma Hindu, chomwecho amapembedza milungu yambiri ndiponso yosiyanasiyana. Anali ndi milungu yoposela wani miliyoni (1,000,000), imene anthu achi Hindu amayenera kuyosangalatsa ndi kuyipembedza. Mmudziwu unali ndi mafano ang'oang'ono ochuluka a milungu yachi Hindu. Nthawi zonse anthu amudzi muja akamadya amagwetsa chakudya panso kuti mizimu yoyendayenda izidzilandira.

Anali anthu wolephera ndiwosowa chiyembekezo. Chiyembekezo chawo chinali chakuti mwina mmoyo wina ukudzawo (munthu akafa) akabadwa muntu wochita bwino. Komanso akapanda kuyisangalatsa milungu yawo, amakabadwanso mdziko linolo ngati nkhoswe kapena galu. Amamva ngati akodwa mumsampha, popanda mupulumikirapo kapena njira yozithandizira okha.

Lepcha anali Mvangeri amene anasamukira mumzindawo. Anaphunzira maphunzira akuthandiza anthu kusintha miyoyo yawo ya kuthupi mwezi umodzi wokha. Atamaliza Maphunzira ake

anasamukira mmudzi uja ndi banja lake kuti kukakhala komweko ndikuthandiza anthu oyandikana nawo pogawana nawo zimene iye anaphunzira. Anali ndi khomo laukhondo ndi ndi khitchini limene pophikira pawo panali pamwamba, pomwe pamapangitsa kuphika kukhala kosavuta ndipo amagwiritsa ntchito nkhuu zochepa. Analinso ndi kakhola kakang'ono kamene amasungiramo nkhuu zawo. Analimanso masamba mukamunda kawo kakang'ono, zimene zimathandiza ana awo kukhala athanzi. Anali ndi chimbuzi kunja kwa nyumba yawo ndipo ana awo analibe njoka zammimba kapena kudwala matenda wotsegula mmimba mmene ana ena mmudzimo amadzalira.

Lepcha anapanga chidebe chosungira madzi chimene anayika panso pamalata nthawi imene mvula yimagwa mwakamodzikaodzika. Anthu ena amudzika ataona izi nawonso anayamba kupanga zomwezo, ndipo panopa mvula ikamagwa, amakhala ndi madzi ochuluka.

Anapangitsa anthu amudzika kugwirira ntchito limodzi pokonza mapaipe anawonongeka aja kuchokera posungira madzi paja, ndipo panopa mmudzika vuto lamadzi linatha, madzi alipo wochuluka amakwanitsa kuthirira mmunda wamasamba. Anthu ambiri anapanganso makaola ankhuu ndiponso anamanga zimbuzi motero kulibe fungo ndingakhale ntchetchi.

Pamene banja la Lepcha linabwera mmudzika anayamba kuwaphunzitsa anthu akulu ndi ana womwe amene amafuna kuphunzira kulemba ndi kuwerenga. Anayamba kuwaphunzitsa ana ndi achinyamata kuwerenga. Lero, mmudzi muja muli sukulu kuyambira sitandade wani (1) mpakana folo (4).

Lero kunamangidwa tchalitchi chifukwa mabanja 23 mwa mabanja 25 analandira Yesu kukhala Mbuye ndi Mpulumutsi wawo. Zonsezi zinatheka chifukwa cha banja limodzi limene linalalikira kudzera mmawu awo ndingakhale muntchito zawo.

Anthu anawona zinthu zikuchitika ndithu mpakana kumamalizika, ndipo anawona kuti nzotheka kukhala ndi miyoyo yathanzi chifukwa cha banja limodzi linasamalira kwambiri za anthu amudzika ndikubwera kudzakhalana nawo ndikuthandiza pogawana nawo za moyo wawo.

Nkhani imeneyi imakambidwa kwambiri nthawi zonse kumpoto kwa dziko la India ndi kummawa kwa dziko la Nepal. Tikunena pano zimenezi zikuchitika mmidzi 120 ya mderalo. Miyoyo ya anthu inasintha kuthupi. Komanso miyoyo inasinthanso kuuzimu chifukwa makomo 107 anayamba kusonkhana pamodzi ndikumapemphera, ndi makomo 12 amene ali ndi mamembera 120.

Azibusa aku India anapanga mpingo wawo umene umatchedwa dzina loti Agape, umene mipingo ya tsopano yachuluka ikumalowa. Pamene banja la chikhristu, ngati banja la Lepchas, akakhala ndi masomphenya kufuna kuwona mzinda wawo utasintha, zinthu zazikulu za Mulungu zimachitika ngati anthuwo akufunafuna chifuniro cha Mulungu ndipo ndiwokonzeka kuchita kanthu pa masomphenya amene Mulungu wapereka. Ena mwabanjawo ndizitsanzo zakusinthika kwa miyoyo yawo ndipo ndizitsanzo zabwino za kumpingo amene amaphunzitsa zinthu zofunikira za ku tchalitchi. Ndipemphero lathu kuti anthu amenewa akhale zitsanzo mmidzi mwawo mtsogolo muno.

Kodi zina mwazinthu zimene Lepcha anabweretsa kusintha mdera muja ndichiyani? Tawonaninso nkhanayi ndipo mulembe zinthuzo pa mitu iyi chikhalidwe, zauzimu, malingaliro ndi kuthupi.

- Kodi anapanga chiyani kuti kusintha kuchitike? Kodi anayamba ndiyani? Banja lake
- Kodi Lepcha anasintha mmudzi muja motani?
- Kodi inu mungachite chiyani ngati mmene anachitira Lepcha mmadera mwanu?

5.2 Kodi Tingakhale Bwanji Anthu Womanga Ufumu wa Mulungu

1. Muyambe ndi inuyo

Poyambirira muwonetsetse kuti Ufumu wa Mulungu wamangika mmoyo wanu, mubanja lanu, mumpingo mwanu, mudera lanu, mudziko lanu poziyesa nokha. Kodi ndiwokonzeka kumtumikira Mulungu? Kodi ndinu wokonzeka kumuvera Mulungu mbali iliyonse ya moyo wanu? Kodi chinthu chimodzi kapena ziwiri zomwe mungathe kuyamba kuzisintha mulungu uno ndizotani?

2. Phunzitsani ndi kulimbikitsa banja lanu

Mukayamba kutsatira pogwiritsa ntchito Ufumu wa Mulungu mbali iliyonse yamoyo wanu mukuyenera kuyambanso kulimbikitsa banja lanu kuti nalonso lizichita chimodzimodzi. Pamene tikuwerenga, tiyenera kuphunzitsa banja lathunso nthawi zonse (Deuteronomo. 6:7) mosatengera zimene tikuchita. Mufunefune njira zophunzitsira banja lanu zimene inu mumachita, kudzera poyankhula nawo, ndiponso kuyang'ana njira zowathandiza powatumikira ena.

Kumbukirani zinthu zimene mwadzipereka kuti muzichita pamaphunziro amenewa kudzera mumadera anayi aja, izi zikunthandizani banja lanu kuti likulenso.

3. Mumupemphe Mulungu akugwiritseni ntchito kuti mukathandize anthu ena

Muyambe kupemphera ndipo mumufunse Mulungu akuthandizeni kuti mukabweretse kusintha mmiyoyo ya anthu ena. Funafunani mwayi. Pamene mukuona anthu wosowa, muzimufunsa Mulungu kuti akuwonetseni mmene mungawathanidzire anthuwo.

Mulungu ndiwofunitsitsa kukuthandizani kumanga Ufumu wake. Adzatiwonetsera ife munthawi yoyikika, njira yabwino yothandizira ena.

4. Kuthandiza Anthu Ena

Pezekani mumachitachita azachikondi ndi kupeza njira zothandizira ena. Ndingakhale mukuona kuti simungathe kuchita zinthu zochuluka, muyenera kugwiritsa ntchito luso limene Mulungu anakupatsani pothandiza. Pamene mukutumikira, muzayamba kukula ndipo mudzaona kuti mwakwanitsa kuchita zinthu zochuluka.

8.1 Njira Zopangira Pulani pa Ntchito za Chikondi

Njira Yoyamba: Pemphero

Chinthu choyamba ndikupemphera. Muzitenga nthawi yochuluka popemphera. Mumufunse Mulungu kuti akuwonetseni chimene mukuyenera kuchita pakuonetsera chikondi kwa ena.

Njira Yachiwiri: Kupeza chochita

Monga gulu muganizire chimenea mungachite kuti mukaonetse chikondi cha Mulungu. Muyang'ane za maganizo ena amene mwalemba aja muphunziro loyamba ndi kugwirizana pazimene mukuona kuti Mulungu akukutsogolerani kuti muzichite.

Mukasankha chochitikacho, muonetsetse kuti mutha kuchichita chinthucho tsiku limodzi kapena masiku atatu. Ngati sizingatheke, mutha kukwanitsa kupanga njira yoyamba kapena yachiwiri yokha?

Njira Yachitatu: Mugwirizane zofunika kuzichita

Chotsatira chake muyamba kuchita mapulani. Poyamba mukuyenera kudziwa chimenea mukuyenera kuchita mupulojekitiyo – anthu amene akufunika ndiwotani, zida zimene zikufunika ndizotani, chilolezo chikufunika chotani, ndizina ndizina. Kukuthandizani kuganizira izi, mutha kugwiritsa ntchito fomu imene ili mubukhu la wophunziro. Mukamaliza kulemba fomuyo mu kolamu yoyamba ndizinthu zonse zimene mukuzifuna, ndipo pamenepa mutha kugwirizana kuti amene atayendese zinthuzo ndindani ndipo tsiku limene mukuyenera kumaliza kugwira ntchito.

Njira Yachinayi: Mulembe pulani yanu

Pamene mwamaliza kupanga pulani ya zinthu zonse zimene mukufuna kuti zichitike, mutha kulemba pulaniyo mulingana ndi tsiku limene chinthucho chitachitike kuti mukadziwe oyang'anira chinthucho ndi tsiku limene mutamalize. Musankhe munthu mmodzi kuti akhale otsogolera pulojekitiyo. Munthu ameneyo akhala akutsatira polujekiti yonse polumikizana ndi anthu pamene ntchito yawo yatsala tsiku limodzi kuti ithe kuti awonetsetse ngati yatha, ngati pali mavuto ena, kapena ngati akufuna thandizo lina.

Njira Yachisanu: Pempherani

Mukatha kulembe pulani yanu mutenge nthawi kupempheranso. Mumufunse Mulungu kuti akuwonetseni thandizo limene likufunika pachochikachi ndipo pakhale kupindula mowirikiza, kuti dzina lake likalemekezedwe. Pamilungu wotsatirawo kapena iwiri pamene mukukonzekera kuchita ntchito za chikondi muyenera kupemphera kuti Mulungu akutsogolerani pazochitikazo.

Njira Yachisanu ndichimodzi: Chitani ntchito za chikondi

Chotsatira ndikuchita ntchito yanu yachikondi imene mwayipanga pulani ija. Muyambe tsiku lanu ndipemphero kutukulira zinthu zonse ndimphamvu zanu kwa Mulungu. Kumbukirani kuti

mukuchitazi ndikungowonetsera chikondi cha Mulungu kwa mumzinda wanu. Muonetsetse kuti zokhumba zanu zikugwirizana ndi zolinga za chochitikachi.

Njira Yachisanu ndiziwiri: Wunikirani mbali zonse ndikulemba ndiripoti

Potsiriza mulembe ripoti lanu ndi kuonetsetsa zones zikuchitika nthawi zones. Chifukwa chiyani mukufuna kuyang'anitsitsa? Chifukwa izi zimatithandiza kuphunzira; titha kuganiza zimene tachita bwino ndizimene tingathe kusintha nthawi ina. Sizikuyenera kukhalandi dongosolo lalikulu; mungotenga nthawi yochepa kukambirana mafunso otsatirawa:

- Kodi chinayenda bwino ndichiyani?
- Nanga kodi chimene sichinayende bwino ndichiyani?
- Kodi mungachite chiyani kuti zinthu zisithe?
- Kodi zotsatira zake ndizimene mumaziyembekezera? Ngati ayi, ndichifukwa chiyani?
- Kodi Mulungu analemekezeka?

Mphunzitsi ali ndi ripoti fomu yanu. Chifukwa chiani timapanga ripoti? Mu Marko 6:30 tikuona ophunzira a Yesu akupereka ripoti kwa Yesu pazonse zimene zachitika. Timapereka ripoti monga tiri wokhulupirika ndikuthokoza amene atiphunzitsa ndikusonkhanitsa zida ndi aphunzitsi athu. Ripoti limathandiza kukhala ndi mwayi wolongosola zinthu zimene tachita ndi kupereka umboni wa mmene Mulungu wagwiritsira ntchito khama lathu. Zimaperekanso mwayi kwa aphunzitsi kuti athe kuwona ngati panali mavuto ena ndikuti athe kutitumikira bwino mtsogolo.
