# Ngaphambi kokuba uqale

## Ukulungiselela ukufundisa isifundo

---

1. Funda **Umhlahlandlela kathisha** ngokucophelela, izikhathi eziningana uma kwenzeka. Gqamisa noma ubhale amanothi ezinhlangothini zamakhasi ukuzikhumbuza amaphuzu abalulekile.
2. Bheka **imibono esemqoka** yesifundo ngasinye ukuze wazi ukuthi abafundi kufanele bafunde ini esifundweni.
3. Funda zonke **izindima** zemibhalo ngaphandle.
4. Hlola ukubona ukuthi iziphi **izinto** ezidingekayo esifundweni ngasinye futhi uqiniseke ukuthi wenza amakhophi emihlahlandlela yabafundi(ama-handouts) futhi wakhe izinsiza-kufundisa ezisetshenziswe esifundweni.
5. Qiniseka ukuthi ujoyelene nomsebenzi ngamunye esifundweni (ukulingisa, imidlalo, izinsiza-kufundisa). Ungazijwayeza nomndeni wakho noma abangane.
6. Zinike isikhathi **sokuthanza** ukuthi uNkulunkulu alungiselele abafundi, ukuze abafundi bezwe lokho uNkulunkulu afuna ukuba bakuzwe, futhi naye akusize ukufundisa izifundo. Khumbula ukuthi kungamandla kaNkulunkulu kuphela lapho sizobona khona abantu beguqulwa

## Amacebo awusizo wokufundisa ngempumelelo

---

1. Fika kusenesikhathi bese usetha izinto zakho zokusebenza nendawo ozoyisebenzisa.
2. Ungasheshi ngezincwadi zokufunda. Hlela isikhathi esanele sokuxoxa, imisebenzi namakhefu. Inhloso ukuthi abantu babe nesikhathi sokuqonda futhi babambe iqhaza kwinqubo yokufunda. Hamba ngejubane kusuka kwisihloko nesihloko esiqinisekisa ukuthi wonke umuntu uyazwisisa. Amanye amamajuli angathatha uhhafuowengeziwe noma usuku lonke.
3. Buyekeza kaningi. Ekuqaleni kweseshini ngayinye ukubuyekizwa kweklasi konke abakufundile kuze kube manjekwimodyuli yokuqeqesha. Ukuphindaphinda kusiza abantu ukuthi bakhumbule lokho okufundiwe
4. Landela umhlahlandlela kathisha kanye namanothi owahlelile.
5. Qiniseka ukufaka zonke izingxenye ezine zesifundo ngasinye.
  - a. Yethula isihloko – Imisebenzi izoxhumanisa isihloko nalokho asesbedlule kukho.
  - b. Nikezela ngolwazi olusha – Kunezindlela eziningi zokwabelana .ngolwazi olusha
  - c. Nika abafundi okuthile okufanele bakwenze ngalokho abakufundile – Imisebenzi ibavumela ukuthi baqonde kangcono ulwazi ngokusebenza nabanye, ukudala okuthile, noma ukusebenzisa ulwazi olusha ngandlela thile.
  - d. Xhuma imininingwane ezimpilweni zabo – Lesi isinyathelo sokusiza, esisiza umfundi anqume izindlela ezithile abazosebenzisa ngazo ulwazi olusha abafundile ezimpilweni zabo. Ukufunda ngaphandle kohlelo lokusebenza akwenzi ushintsho futhi akusizi kakhulu.
6. Buyekeza izimiso zakho zokufunda kwabantu abadala kanye namanye amakhono afundiswa ohlelweni lokuthuthukiswa kwabagqunguzeli .
  - a. Nikeza izinkomba ezicacile
  - b. Buza imibuzo eminingi evulekile ( imibuzo edinga okungaphezulu kwempendulo ethi yebo/cha )
  - c. Bonga abantu ngokubamba kwabo iqhaza
  - d. Ungatsheli abantu lokho abangakufunda kangcono ngokuzitholela
  - e. Yakhela kulokho abantu asebevele bekwazi futhi babona okwenzeka kubo
  - f. Bekezela ulinde abantu ukuthi baphendule

7. Khuthaza wonke umuntu ukuthi abambe iqhaza, babelane futhi bazibandakanye kwizingxoxo. Thola izindlela zokukhuthaza ngobumneneabantu abanamahloni ukuthi babambe iqhaza ngaphandle kokubaphoxa.
8. Thandaza usuku lonke ukuze uNkulunkulu embule izinto ezintsha kuwe nakubafundi.

## Usetshenziswa njani Lomhlahlandlela kaThisha

---

1. **Imibono emqoka nezincwadi:** Isifundo ngasinye siqala ngalesi sigaba.
  - a. **Imibono esemqoka** – Lena yimibono ebaluleke kakhulu okufanele abafundi bayiqonde ngokucacile ekupheleni kwesifundo ngasinye. Ekugcineni kwesifundo zinike isikhathi sokubuyekeza futhi uqiniseke ukuthi abafundi bayayiqonda lemibono.
  - b. **Izincwadi** – Izinto ezithile ezidingekayo zibhalwe kuhlu lwesifundo ngasinye. Ungakhetha ukunikeza amakhophi wonke womhlahlandlela womfundi kumhlanganyeli ngamunye noma yenza inani elincane lamakhophi njengoba kusikiselwe esifundweni ngasinye. Uma ungasebenzisi umhlahlandlela wabafundi, ungabhala amavesi nemibuzo ebhodini elimhlophe noma iphosta noma ubhale amavesi ezicucwini ezincane zamaphepha ngeqembu ngalinye. Futhi siyakhuthaza nokuba nephepha lephosta, ibhodi elimhlophe, noma ibhodi ozolisebenzisa neqembu elikhulu.
  - c. Lomhlahlandlela wothisha uzokhombisa ukuthi uzisebenzisa nini lezi zinto :
    - i. **UMHLAHLANDLELA WOMFUNDI** – izobhalwa ngalendlela.
    - ii. **IZINSIZA KUFUNDISA** – izobhalwa ngalendlela.
2. **Imiyalo Yomgqugquzeli:** Kunemiyalo ekhethekile esifundweni yokukusiza uhole kahle ukuqeqeshwa. Lokhu akuhloselw ukwabiwa nabafundi. Funda lokhu ngaphambili ukuze ulungele ukuhola izingxoxo nemisebenzi. Eminye imibuzo izophinde ibe nezimpendulo ezibhalwe ngomalukeke ukukusiza njengomgqugquzeli ukwazi ukuthi imiphi imibono ongayigcizelela nabafundi. Lezi akuzona kuphela izimpendulo ezinhle, ezinye izimpendulo ezinhle.
3. **Ukuphatha izikhathi ezibekiwe nokushelela:** Izikhathi zesikhathi azifakiwe esifundweni ngasinye.
  - a. Thatha isikhathi esiningi esidingekayo ukusiza abantu ukuthi bafunde imibono esifundweni. Kubalulekile kakhulu ukukhathazeka ngalokho abantu abakufundayo kunokuqedela isifundo ngesikhathi esibekiwe.
  - b. Khumbula ukushiya isikhathi sokuba abagqugquzeli baqale ngokuzinikela, babelane ngobufakazi, baxoxe ngezinkinga abanazo, futhi bathandaze ndawonye.

# Isifundo 1: Umbuso ka Nkulunkulu

## Umbono omqoka

Umbuso ka Nkulunkulu unomaphi lapho uJesu eyiNkosi nemithetho yakhe ilandelwa. Umbuso uyakhula lapho abantu abaningi beza ukulalela uNkulunkulu nalapho simlandela ngokuphelele.

**Izinto zokusebenza:** Azikho

## Uyini umbuso ka Nkulunkulu?

### INGXOXO YEQEMBU ELIKHULU

Ngesikhathi uJesu ehamba emhlabeni, Wabelana ngohlelo lakhe. Lolu hlelo kukhulunywa ngalo izikhathi ezingu 98 eTestamenteni Elisha. uJesu uthi yiso sonke isizathu sokuthunywa kwakhe, futhi uthuma abafundi bakhe ukuba bayofundisa ngakho. uPawulu wakhuluma ngakho, futhi sikhuthazwa ukuba sikuthanzele.

- Uyazi ukuthi kuyini ?

### INGXOXO YEQEMBU ELINCANE

Funda amvesi alandelayo bese uphendula imibuzo:

- uMathewu 10:5-8 yini uJesu ayithuma abafundi ukuthi bazofundisa ngayo?
- uLuka 4:43 – Kungani uJesu athunyelwa?
- Izenzo 1:3 – Wafundisa ngani uJesu phakathi nezinsuku zakhe zokugcina ezingu 40 esemhlabeni?
- Izenzo 28:30-31 – Wafundisani uPawulu?

### BIKA EMUVA

Icebo likaNkulunkulu ukwakhiwa kombuso kaNkulunkulu. Njengoba sibona kulamavesi, lokhu kungumnqondo obalulekile bobabili uJesu no Pawulu abawufundisa. Empeleni, lesi isihloko uJesu bekafundisa ngaso ezinsukwini ezingu 40 zakhe zokugcina. Kusobala uma wazi ukuthi unezinsuku ezingu 40 kuphela zokufundisa abantu, ngakho-ke okufundisayo kusobala ukuthi kubalulekile kakhulu. Kufanele ibaluleke nakithi. Kodwa, abaningi bethu abayiqondi inkulumbo ethi "umbuso kaNkulunkulu."

### UMSEBENZI NGABABILI

- Uwuchaza kanjani umbuso kaNkulunkulu kumKrestu omusha?

### BIKA EMUVA

Umbuso kaNkulunkulu akunzima empeleni ukuwuchaza. Umbuso ka Nkulunkulu unomaphi lapho uJesu eyiNkosi nemithetho yakhe ilandelwa. Nomaphi lapho sibona khona abantu behamba belalela uNkulunkulu futhi belandela izifiso zakhe, kulapho okunengcezu encane yombuso kaNkulunkulu. Umbuso kaNkulunkulu awuyikufika uphelele kuze kubuye uJesu futhi konke kwenziwe kwaba kusha isono singekho.

## uJesu iNkosi yethu

### IGXOXO YEQEMBU ELIKHULU

- Inkosi ijwayele ukwenza njani?
- Ucabanga ukuthi uJesu ufana neNkosi yasemhlabeni? Unjani yena? Wehluke kanjani?

uJesu uyiNkosi ENOTHANDO. Wazi konke. Unamandla onke; wadala umhlaba. Unolwazi oluphelele; Uyazi ukutho konke kusebenza kahle kanjani. Ufuna okuhle kakhulu emhlabeni nathi sonke esikuwo. Imithetho yakhe yenzelwe thina.

Lalela lendaba ngeNkosi yeseThailand.

iThailand umbuso! iNkosi eyedlule, iNkosi uBhumibol Adulyadej, wayeyiNkosi enhle futhi ethandwa ngabantu bonke. Yize manje eseshonile, abantu basakhuluma ngaye ngothando olukhulu. Uthe uyawuthanda umbala ophuzi, ngalokho-ke abantu bonke bebegqoka amahembe aphuzi ngomsombuluko. Uthe unkosikazi wakhe uthanda umbala onsomi, abantu abaningi bebegqoka amahembe ansomi ngoLwesihlanu. **Ubethandwa futhi ehlonishwa** kangangoba ukusho nje ukuthi uthanda umbala kuthinte indlela abantu abagqoka ngayo. Ngasikhathi sinye sokubusa kwakhe, amasosha athatha ubuhulumeni eThailand. Bekukhona ukulwa emigwaqweni. Abalandeli bakahulumeni belwa nabalandeli bamasosha. Wonke umuntu wayekhathazekile ukuthi kuzoba kubi kakhulu. Yabe isikhuluma iNkosi. Utshale wonke umuntu ukuthi bayeke ukulwa bazilungiselele ukuba nokhetho. Ukulwa kwaphela ngokushesha. Akekho awabuza iNkosi; benza nje akushoyo. Noma ngabe besazizwa bethukuthele, bekungenandaba. Inkosi yayikhulumile futhi ukujabulisa iNkosi kwakubaluleke ngaphezu kwemizwa yabo.

- Izifiso zeNkosi zakuthinta kanjani ukuziphatha kwabo?
- Wake wayazi iNkosi enje?
- Kungani abantu belalele iNkosi? Bekungenxa yokwesaba noma uthando?
- Ingabe siphatha iNkosi uJesu njebantu baseThailand abaphatha iNkosi yabo? Ingabe sifuna ukumjabulisa kukho konke esikwenzayo?

Siyingxenywe yombuso kaNkulunkulu, futhi uJesu uyiNkosi yethu. Kufanele sifune ukujabulisa iNkosi yethu uJesu futhi sense noma yini ayishoyo ngendlela efanayo nabantu baseThailand abazama ngayo ukujabulisa iNkosi yabo. Uma abantu baseThailand beyithanda iNkosi yabo kangangoba noma ethi uthanda umbala angaba nomthelela endleleni abantu abagqoka ngayo, akufanele yini izimpilo zethu zithintekile kakhulu uthando lwethu lweNkosi uJesu?

## Ubizo lukaNkulunkulu lokwakha uMbuso Wakhe

### INGXOXO YEQEMBU ELIKHULU

Funda uMathewu 6:9-10

- Yini uJesu asicela ukuba siyikhulekele?
  - *Umbuso wakhe mawufike nentando yakhe yenzeke.*

uNkulunkulu ufuna ukwakha umbuso wakhe lapha emhlabeni. Kunezindlela ezimbili ezisemqoka esingakha ngazo uMbuso kaNkulunkulu.

1. Ukwandisa inani labantu embusweni kaNkulunkulu ngokubona abantu besindiswa.
2. Ukubona intando kaNkulunkulu yenziwa kakhulu ngabantu.

Uma sifuna ukubona intando kaNkulunkulu yenziwa kakhulu, sidinga ukubona abantu abaningi besindiswa futhi belalela uNkulunkulu, futhi kudingeka siphile ngendlela uNkulunkulu ayehlose ngayo **kuzo zonke** izingxenywe zempilo yethu. Ekuqeqeshweni okulandalayo sizobheka ngokugxilile ukushunyayelwa kwevangeli. Kepha okwamanje kubalulekile ukukhumbula ukuthi sidinga ukwaba izindaba ezinhle zikaJesu nalabo abangakabi amaKrestu.

## Ubizo lukaNkulunkulu lokulalela ezintweni zonke

### IGXOXO YEQEMBU ELIKHULU

Funda KwabaseKolose 3:17 and 1 KwabaseKorinte 10:31.

uNkulunkulu ufuna simjabulise futhi simhloniphe ngaso sonke isikhathi. Lamavesi asitshela lokhu, noma yini esiyenzayo, kufanele sikwenze ukuletha udumo kuNkulunkulu. Womabili la mavesi aphinda umqondo 'wakho konke esikwenzayo.' KwabaseKolose: **'nanoma** yini oyenzayo, **kungezwi noma ngomsebenzi**, kwenzeni konke

egameni leNkosi uJesu, nimbonge uNkulunkulu uYise ngaye. 'KwabaseKorinte: 'Ngakho-ke **noma nidla, noma niphuza** noma nenzani konke kwenzeleni udumo lukaNkulunkulu.' uPawulu uyakuphinda lokhu ngoba ufuna siqonde ukuthi kukho konke kufanele silethe udumo kuNkulunkulu.

- Ucabanga ukuthi singaletha njani udumo kuNkulunkulu ngendlela esidla ngayo?
  - *Idla ngokubonga , ungakhalazi. Bonga uNkulunkulu ngalokho onakho.*
  - *Khuthazanani lapho nidla*
  - *Mema abanye abangenakho okwanele, noma badinga inkuthazo ukuthi badle nawe*
  - *Qiniseka ukuthi ukudla okukhona kwabiwa ngokulingana emalungwini omndeni*

## UMSEBENZI WEQEMBU ELINCANE

**Imiyalo Yomngqunguzeli:** Dweba ishadi elilandelayo ebhodini. Bhokisisa izibonelo ezimbili zokuqala ndawonye. Bese nisebenza ndawonye njengeKlasi ukubhala uhlu lomsebenzi ovamile ongaphezu kwa10. Hlukanisa ikhosi libe ngamaqembu amancane bese unika iqembu ngalinye elincane eminye yemisebenzi ukuze baxoxe ngokuthi yini abazoyifaka kukholamu yesibili neyesithathu.

Umsebenzi ngamunye cabanga ngalokhu:

- Sinjani isimo somqondo sabantu abenza lomsebenzi?
- Ungawenza kanjani ukuletha udumo kuNkulunkulu?

Umsebenzi	Isimo sengqondo esivamile	Izenzo zesikhathi esizayo zokudumisa uNkulunkulu
Ukuwasha izitsha noma izimpahla	<i>Ukwenza masisha bese ukhalaze</i>	<i>Ngizokwenza umsebenzi ongcono ukuzenza zihlanzeke kangcono. Ngizomhubela uNkulunkulu, ngimbone Yena ukuthi ngiyakwazi ukusebenza, futhi ukuthi lomsebenzi owakhe.</i>
Ukususa ukhula ensimini	<i>Ukhula oluningi lusele ngoba lungumsebenzi onzima. Abantu bavame ukuqala sekwedlule isikhathi futhi bangawuqedi umsebenzi.</i>	<i>Ngizoqala ngisuse lonke ukhula. Ngizomhubela uNkulunkulu ngenkathi ngisebenza futhi ngiziqhenye ukuthi ngenze umsebenzi omuhle emndenini wami nakuNkulunkulu.</i>

## Isiphetho

uJesu uyinkosi yethu. Unothando, unamandla, inkosi ehlaniphele. Ufisa okuhle kubantu bakhe. Njengabalandeli bakhe kufanele silalele imithetho yakhe kuyo yonke imikhakha yezimpilo zethu. Omunye waleyo mithetho ukujetha udumo kuye kukho konke esikwenzayo.

### Ukucabanga komuntu ngamunye

Buye ke uhlu lwemisebenzi yansuku zonke. Khetha imisebenzi emi 2 yansuku zonke lapho ufuna ukuletha kuNkulunkulu udumo oluningi. Zibophezele ekusebenzeni kulezi zindawo ezinyangeni ezimbalwa ezizayo.

### UMTHANDAZO

Zinike isikhathi sokuthandazela ukuthi uNkulunkulu asisize sakhe uMb uso wakhe futhi enze izinhlelo zethu zisebenze.

# Isifundo 2: Usiko LoMbuso

## Umbono Omqoka

Ibhayibheli lisifundisa ukuthi siphile kanjani njengabantu baseMbusweni.

## Izinto zokusebenza

1. Umhlahlandlela womFundi: Iphepha lokusebenzela lamagugu oMbuso(Phrinta iqembu ngalinye)

## Funa kuqala umbuso kaNkulunkulu

### INGXOXO YEQEMBU ELIKHULU

Funda uMathewu 6:25-33.

- Abantu bebakhathazeke ngani?
- Ingabe izinto zesimoya noma ezinto ezijwayelekile?
- Beyithini impendulo kaJesu?
- Ucabanga ukuthi uJesu bekaqondeni? Singawufuna kanjani umbuso kaNkulunkulu ezintweni zonke?

Kungadida ukucabanga ukuthi lapho abantu beza kuJesu bezomtshela ukuthi bakhathazekile ngokuthi bazodlani futhi bazophuze ini, impendulo Yakhe yathi, 'Funa kuqala uMbuso kaNkulunkulu.' Kusho ukuthini lokho? Kusho ukuthi akufanele nanini sicabange ngalezi zinto, kodwa sichitha isikhathi sethu senza izinto zikamoya njengokuthandaza, Uma sikwenzile, bekuyoba impilo ephilele?

Ngenhlalhla yethu kwakukhona umuntu owayephila impilo ephilele futhi wenza nentando kaNkulunkulu ngaso sonke isikhathi : uJesu(NgokukaJohane 14:31). Enye yezindlela esingazi ngayo ukuthi sifuna kanjani kuqala uMbuso kaNkulunkulu ukubheka impilo yakhe.

### INGXOXO YEQEMBU ELINCANE

Bheka lamavesi. Zisifundisani ngezinye zezinto uJesu azenza?

- NgokukaMarku 6:3 – *uJesu wayen guMbazi.*
- NgokukaJohane 21:9-14 – *uJesu waphekela abafundi bakhe isidlo.*
- NgokukaMarku 1:35 – *uJesu wathandaza eyedwa.*
- NgokukaMarku 4:38 – *uJesu waphumula.*
- NgokukaJohane 2:1-2 – *uJesu waya emshadweni.*
- NgokukaMarku 2:15 – *uJesu wayedla endlini yomngane wakhe. (Futhi abantu abaningi babelapho. Bokuwumcimbi wesidlo sakusihlwa.)*
- NgokukaMathewu 14:14 – *uJesu waphilisa abantu.*
- NgokukaMarku 1:39 – *uJesu wayehamba, efundisa, futhi exosha amadimoni.*

uJesu wenza konke kusukela ekufundiseni izixuku, nokuphekela abafundi isidlo, nokuba umbazi. Ngazo zonke lezikhathi beka hola impilo ephilele, hayi kuphela uma efundisa noma ephilisa. Awukaze ube khona umzuzu empilweni kaJesu lapho ayengaphandle kwentando kaNkulunkulu ngempilo yakhe.

Njengoba sizama ukufuna kuqala umbuso kaNkulunkulu , lokho akusho ukuthi sithandaza ngaso sonke isikhathi noma simane sishumayela. Kusho ukuthi konke sikwenza ngezindlela ezijabulisa uNkulunkulu futhi a udomo kuye.

## Umthombo wethu

### INGXOXO YEQEMBU ELIKHULU

- Singakufunda kanjani ukuphila ngezindlela ezijabulisa uNkulunkulu?
  - *Ibhayibheli!*

Kwesinye isikhathi lapho sithenga okuthile okuyigugu, sithola ibhukwana elisitshela ukuthi isetshenziswa kanjani. Ibhukwana libhalwe yinkampani edale futhi yakha umkhiqizo. Bayazi ukuthi bayisebenzisa kanjani ukuze isebenze kahle kakhulu futhi ihlale isikhath eside kakhulu. Uma sifuna imiphumela emihle kakhulu kumkhiqizo weth omusha kungcono ufunde ibhukwana.

NakuNkulunkulu kuyefana. Wadala umhlaba wawenza. Wasidala wasenza. Uyazi ukwenza nezimpilo zethu kube ngcono kakhulu, futhi ubhale ibhukwana lemiyalo. Ibizwa ngeBhayibheli. Kuyo usitshela indlela yokuphila kuzo zonke izingxenye zempilo yethu . iBhayibheli linayo yonke imiyalo nokuhlanipha esikudingayo ukwelapha umhlaba wethu ophukile nemiphakathi. Sidinga ukufunda, ukuqonda nokusebenzisa okubhalwe lapho kuyo yonke imikhakha yezempilo zethu uma sifuna impilo engcono kakhulu futhi uma sifuna ukubona umphakathi wethu ushintsha.

### INGXOXO YEQEMBU ELINCANE (Ungakukhetha)

- Iziphi ezinye iziyalo, imithetho, noma imiyalo esiyibonile eBhayibhelini?
- Ucabanga ukuthi le miyalo ingahle ibe usizo kanjani kithi?

### BIKA EMUVA

## Ukusebenzisa iBhayibheli kuzo zonke izingxenye zempilo yethu

uNkulunkulu usinikeze iBhayibheli, elisitshela ukuthi kufanele siphile kanjani ngendlela ejabulisa uNkulunkulu. Uma sizomlalela uNkulunkulu kuzo zonke izingxenye zempilo, lapho-ke sidinga ukuqonda lokho iBhayibheli elisifundisa khona. Kufana noma kuhluke kanjani kumasiko noma emasikweni ethu? Sidinga ukwazi izindlela zikaNkulunkulu uma sizokwakha uMbuso kaNkulunkulu lapha emhlabeni.

### UMSEBENZI WEQEMBU ELINCANE

**Iimiyalo Yomngquguzeli:** *Qala ngokwenza mugqa wokuqala njengesibonelo seqembu elikhulu. Bese uhlukanisa ngamaqembu amancane. Nikeza iqembu ngalinye engu 3-4 ukuthi basebenze kuyo futhi ubazise, uma beqeda kusenesikhathi, bangakhetha eminye imigqa noma bagcwalise.*

Gcwalisa ithebula **KUMHLAHLANDLELA WOMFUNDI**. Entweni ngayinye cabanga ngalokho isiko lakho elihlala likusho. Bese ubheka amavesi bese ubona ukuthi iBhayibheli lithi kufanele senzeni.

- Zikhona ezinye izindawo ongazicabanga lapho isiko lethu nalokho okushiwo yiBhayibheli kuhlukile khona?
- Singaqala kanjani ukushintsha izimpilo zethu ukuze izimpilo zethu zibonise kangcono lokho iBhayibheli elisitshela ukuthikufanele sikwenze?

#### Isiphetho

Ziningi izinto ezinhle ngamasiko ethu. Amanye amasiko afundisa abantu ukukhonzana, amanye afundisa ngokubaluleka komndeni nokunakekela abadala bakho. Amanye akhuthaza ukusebenza kanzima nokusebenzisa lokho uNkulunkulu asinikeze kona kahle. Kepha wonke amasiko anezindawo ezithile ezingahambisani neBhayibheli. Uma sifuna ukuhamba ngokulalela uNkulunkulu, siding ukubheka izindawo lapho iBhayibheli lihluka khona esikweni lethu. Zama ukucabanga ngokuthi ungalingisa kanjani ukuba njengemfundiso yeBhayibheli ncamashi futhi ungalandeli nje isiko lakho.

Bheka emuva kumashadi esiwenzile phambilini; kukhona indawo eyodwa noma ezimbili lapho wena uqobo ungazama ukushintsha?

# Isifundo 3: Ukuqonda kweBhayibheli Ngomsebenzi

**Umbono Omqoka:** Izinhlobo ezahlukene zomsebenzi zingaluletha udumo kuNkulunkulu. Sidinga ukwenza umsebenzi wethu ngezindlela ezihlonipha uNkulunkulu.

## Izinto zokusebenza

1. Umhlahlandlela womFundi: Ukuqonda kweBhayibheli ngemibuzo yomsebenzi

## Isingeniso

### INGXOXO YEQEMBU ELIKHULU

- Umsebenzi ubhekwa njengokulungile noma okubi?
- Yiziphi ezinye izaga olimini lwakho mayelana nomsebenzi?

Funda uGenesis 1:28.

- Kwakuyini imiyalo yokuqala uNkulunkulu ayinika uAdamu?
- Lokhu kwakungaphambi noma ngemova kokona kuka-Adamu ngokudla isithelo?

Funda uGenesis 2:2.

- Yini uNkulunkulu aphumula kuyo?

Funda uMarku 6:1-3.

- Wawuyini umsebenzi awufundele uJesu phambi kokuba Aqale ukufundisa?

Njengoba sibona kulawa mavesini, uNkulunkulu wasebenza futhi, njengoba senziwe ngomfanekiso kaNkulunkulu, senzwele ukuthi sisebenze. Kusukela ekuqaleni kwesikhathi, nga phambi kokuba isono singene emhlabeni, umuntu wayesebenza.

## Isithunzi sokusebenza

Engcwadini kaRuthe, sifunda ukuthi uRuthe ubalekela indlala noninazala futhi uhlupheka kakhulu. Babuyela eMowabi ngoba bebezili kunokudla lapho. uRuthe uthola umsebenzi ensimini kaBowazi, onentshisekelo kuye futhi ozwile ngalokho akwenzele uninazala.

Funda uRuthe 2:15-16.

- Wenzani uBowazi ukusiza uRuthe?
- Ucabanga ukuthi kungani angamnikanga ukolweni nje?
  - Ngoba senzwele ukusebenza, ngakho-ke ngenxa yalokhu siuthola isithunzi ekusebenzeni kunokuba ngumamukeli wesisa senhliziyo. Ngokwenza lokhu, uBowazi wanikeza uRuthe isithunzi.

## uNkulunkulu uhlose ukuba sisebenze ngokuzimisela

### INGXOXO YEQEMBU ELINCANE

**Imiyalo yomngqunguzeli:** Sebenzisa **Umhlahlandlela Womfundi** ngemibuzo yamaqembu amancane.

Yeziphi ezinye izizathu zokusebenza? Funda amavesi alandelayo neminye imiqondo onayo manje ngalesisifundo.

- 1 KwabaseThesalonika 4:11-12 – *Impilo yenu izohlonishwa ngabanye futhi ningabi abasweleyo.*

- 1 KuThimothewu 5:8 – *Nondle imindeni yenu.*
- KwabaseEfesu 4:28 – *Nibe nothoukunikeza abaswelayo.*

## BIKA EMUVA

### INGXOXO YEQEMBU ELIKHULU

- Ucabanga ukuthi uNkulunkulu usibekile ukuthi sisebenze?
- Umuphi umqondo ojwayelekile abantu abanawo ngomsebenzi?
- Mqondo muni ocabanga ukuthi kufuneka sibe nawo mayelana nomsebenzi?

Inhloso kaNkulunkulu ukuthi sonke sisebenze. Nangaphambi kokuba isono singene ezweni uAdamu wayenikezwe umsebenzi wokulima. Nxa sisebenza, siyakhona ukondla imindeni yethu futhi sinike abampofu kanye nebandla. Ukusebenza kuletha ukuhlonipheka futhi kusenza sikhonzane ngamakhono ethu.

## Yonke inhlobo yomsebenzi idumisa uNkulunkulu

### INGXOXO YEQEMBU ELIKHULU

- Ngokwamasiko ethu, ingabe ikhona imihlobo yemisebenzi abaluleke kuneminye? Yini eyenza ukuthi ibaluleke kakhulu?
- Msebenzi muni uNkulunkulu awupha uAdamu? (*Ukusebenza ensimini nokuqamba izilwane – uGenesis 2:15-20*)
- Msebenzi muni uNkulunkulu awunika uNowa? (*Ukwakha umkhumbi – uGenesis 6:13-14*)
- Msebenzi muni uNkulunkulu awunika uGideyoni? (*Ukuhola impi ebhekene nesitha sakwalsrayeli – Abahluleli 6:14*)
- Msebenzi muni uNkulunkulu awunika uMose? (*Ukukhipha abantu bakaNkulunkulu ezweni laseGibithe - uEksodusi 3:10*)
- Ucabanga ukuthi uNkulunkulu bekangakhetha uma lababantu baye bahola ibandla noma bashumayele intshumayelo kunokuba benze umsebenzi bekabanike ukuthi bawenze?
- Ucabanga ukuthi uNkulunkulu bekaba bhekela phansi laba bantu noma bebangabalulekile kakhulu kunabaPristi? isifaniso, Umsebenzi kaMose wawungabalulekile kuna lowo kaAaroni?

Umqondo wokuthi eminye imisebenzi iphezulu futhi eminye iphansi akukho eBhayibhelini. Lomqondo wawuyinxenye yamasiko wamaGriki owawugqugquzela amaKrestu kwaze kwaba sesikhathini senguquko. AmaGriki ayekholelwa ukuthi izinto zesimoya zaziphezulu futhi zihlonipha kakhulu uNkulunkulu ezinye bezibhekela phansi futhi zingabalulekile kuNkulunkulu.

Noma-ke, lena akuyona indaba eseBhayibhelini. iBhayibheli liqala nguNkulunkulu edala izulu nomhlaba. Ku Genesis 2:8 sibona uNkulunkulu etshala insimu. Masisebenza ensimini, masikhumbule uNkulunkulu wayengumlimi wokuqala. Senza lokho uNkulunkulu akwenza eminyakeni eminingi eyedlule. Futhi futhi uNkulunkulu ubize abantu ukuthi bamkhonze ngezindlela ezahluka-hlukile. UsesenguMshumayeli noma uMvangeli kusese wumsebenzi ohloniphekile, kanjalo nomlimi, ukufuya, ukuba ngumbazi, noma ukuba uthisha. Asidingi nje kuphela abantu abafundisa ngezoMoya kodwa nabakhulisa izitshalo ukuthi sidle, ukwakha inda wo yokuhlala, nokufujindisa izingane zethu.

## uBhuti Lawrence

### INGXOXO YEQEMBU ELIKHULU

Ngezikhathi zo 1608 kwazalwa indoda kwelaseFrance. Wab nguMkrestu ngeminyaka yeshumi nesishagalolunye futhi, kwiminyaka yamashuki amabili akhe, wanquma ukuthi ufuna ukunikela impilo yakhe kuNkulunkulu yonke ngokuphelele. Wangenela imonastery kulapho waqanjwa igama lika Bhuti Lawrence. Wayecabanga ukuthi ngokuhlala kwiMonastery uzochitha isikhathi sakhe sonke ethempelini ekhuleka futhi ekhonza uNkulunkulu. Noma-kunjalo, wazithola enikezwe umsebenzi wasekhishini. Iminyaka eyishumi wayezonda ukuba sekhishini abanye bekwiChapel. Wayezonda ukunikwa lomsebenzi ongabalulekile.

### INGXOXO YEQEMBU ELINCANE

**Imiyalo Yomgqugquzeli:** *Sebenzisa umhlahlandlela Womfundi imibuzo yeqembu lengxoxo elincane.*

- Uma uye wahlangana noBhuti Lawrence kuleminyaka eyishumi, esiphi isaluleko obongamnika sona?
- Ucabanga ukuthi ukusebenza kwaBhuti Lawrence ekhishini kwakungabalulekile ukudlula ukukhuleka kwamaMonks kwiChapel?
- Funda amavesi alandelayo bese ucabanga asebenza kanjani kulesimo:
  - 1 KwabaseKorinthe 10:31
  - KwabaseKolose 3:23

### BIKA EMUVA

Emveni kweminyaka eyishumi esekhishini, uBhuti Lawrence kwamncacela ukuthi bekangamkhonza futhi amdumise uNkulunkulu noma kuphi. **Yini eyamguqula?** Ubesazi manje ukuthi indlela ayenze ngayo umsebenzi, kanye nesimo sengqondo yakhe mayelana ngomsebenzi kwakungayo indlela yokumhlonipha nokukhazimulisa uNkulunkulu!

uBhuti Lawrence wahlala ekhishini, kepha manje ezizwela ukuthi usebukhoneni bukaNkulunkulu khona lapho—ephila ngokumlalela uNkulunkulu futhi emkhonza uNkulunkulu ngokuwasha izitsha—kungathi bekakhonza kwiChapel.

Ibhayibheli liyasibonisa ukuthi uNkulunkulu unaka kakhulu ukuthi **senza izinto kanjani** kunokuba yini esiyenzayo. Kuphela-nje lokho esikwenzayo kungesikho isono, noma umuphi umsebenzi esiyenzayo ungasetshenziswa ukuletha udumo kuNkulunkulu.

### INGXOXO YOZAKWETHU

- Uma imisebenzi yonke imhlonipha uNkulunkulu, ngakho-ke kuwuthinta kanjani indlela yokucabanga kwakho ngomsebenzi
- Ingabe lokhu kushintsha indlela owenza ngayo umsebenzi?

## uNkulunkulu uyakukhathalela indlela esiyenza ngayo umsebenzi

---

Yize iBhayibheli alivezi ukuthi eminye imisebenzi ibaluleke kakhulu noma ibaluleke kancane, iBhayibheli linakho okuningi elukushoyo ngokuthi siyenza kanjani imisebenzi yethu. Kuyinxenye ebalulekile yezinsuku zethu—sisebenzisa isikhathi esiningi sokuvuka kwethu sisebenza, kufanele siqaphelisise ukuthi siwenza kanjani umsebenzi wethu.

### INGXOXO YEQEMBU ELINCANE

- Ubezophatha kanjani lapho kungekho ombhekile?

Ngesikhathi senguquko, inguquko emangazayo yenzeka ngendlela amaKrestu bewenza umsebenzi wawo. Okokuqala ngqa,abantu baqala ukufunda iBhayibheli ukubona ukuthi lisebenza kanjani empilweni yabo yemihla-ngemihla. Ngalesosikhathi, uma umbazi enze itafula, uzoqinisekisa ukuthi ungempansi wetafula wawumuhle njengophezulu wawo. Wayethi uNkulunkulu uyawubona umphansi wetafula kalula njengaphezulu, futhi uMbazi wayesebenzela ukujabulisa uNkulunkulu. Izinto ebezikhizwa ngalesosikhathi beziphakathi kweminye imikhizwa ebeyisezingeni eliphezulu ezake zenziwa.

### Ukuzihlolisisa

Cabanga ngomsebenzi wakho. Eziphi yezinye izindlela odumisa ngayo uNkulunkulu emsebenzini wakho? Cela uNkulunkulu akubonise izinto ezithile ongazenza kangcono ukumhlolipha Yena kakhulu.

# Isifundo 4: Imiphakathi Yombuso

**Umqondo osemqoka:** Umbuso kaNkulunkulu akufanelanga wenze umehluko ezimpilweni zethu kuphela kepha nasemphakathini wethu futhi.

## Izinto zokusebenza

1. Umhlahlandlela Womfundi: Imibuzo ezoxoxwa ngoMbuso osemhlabeni
2. Amashadi amakhulu wamaphepha
3. AmaKrayoni namakhokhi

## uJesu njengomholi womphakathi

### INGXOXO YEQEMBU ELIKHULU

Ake ucabange uJesu engumholi womphakathi wenu?

- Ucabanga ukuthi angaguqula ini?
- Yini ebeyizohlala injalo?

**Imiyalo yomgqugquzeli:** Uma iqembu libheke kuphela ukuququla abaholi bePolotiki, bakhumbuze ukuthi uJesu akazange aguqule abaholi bePolotiki ngenkathi esesemhlabeni. Abafundi bonke bebebheke ukuthi achithe isakhiwo sezepolotiki; kodwa-ke, akazange.

Uma iqembu lisokola ukucabanga imibono ngalokho ungasebenzisa lemibuzo ukugqugquzela ingxoxo:

- uJesu bekangenzani ngabafelokazi nezintandane?
- Bekangaqinisa kanjani imindeni?
- Bekangagqugquzela kanjani ukuphuzwa kwamanzi ahlanzekile, izindlu ezakhiwe kahle nokudla, ezomtholampilo, udodi kanye namanzi wangasese, nemigwaqo engcono?
- Bokuzo kwenziwani ngemfundo yabantwana nabadala?
- Bekazo kwenzani ngeziminzi zotshwala, ukusetshenziswa kwezidakwa mizwa, ukugambula, and other addictions?
- Bekazo kwenzani ngokuhlukumezeka kwabaganeneyo nabantwana?
- Bekazo thuthukisa kanjani ubudlelwano phakathi kwabantu?

## Umbuso emhlabeni

eBhayibhelini siyabona isibonelo ukuthi bokunga kanjani uma umphakathi wabakholwayo uqala ukumamela uNkulunkulu kuzozonke izinto futhi bakhe uMbuso kaNkulunkulu.

## BIKA EMUVA

### INGXOXO YEQEMBU ELIKHULU

Cabanga uma imiphakathi yethu ibifana naleyo yebandla lakuqala—ukuthi abaniningi beza kuKrestu behamba ngokumlalela, ukuthi besabelana nesinakho, futhi babengekho abaswelayo phakathi kwethu. Leli akulona iphupho elingenzeki. Yenzeka ngesikhathi lebandla lakuqala, kepha nathi sizibonele namuhla kumhlaba jikelele.

Asifunde izindaba ngezindawo ezimbili ebezifuna ukwakha uMbuso kaNkulunkulu.

**Indaba 1:** Indoda kwelase Ndiya yahamba iyovakasha esigododini lapho yayi sebenza khona. Wabuza uwesimame wasesigodini ukuthi umphakathi wabo bowuzo bukeka njani uma uJesu bekangumholi wesigodi. uSara, omunye wesifazane obekazikhulumela, wachaza ngesigodi asinaso-ubunye nokubambisana. Ubazi ukuthi uJesu akahlonishwa ngenxa yokuhlukana komphakathi wakhe. Umndeni ngamunye ubuziphilele. Ngenxa yempendulo yakhe, iqembu lobasifazane basungula ikomiti lezempilo kanye neqembu likamasizane. Abesifazane abalishumi nane beqembu likamasizane baqala behlangana njalo ngogqozi olukhulu. Amalunga eqembu aqoqa izimadlana abazilondolozele youna ngamaunye bayifaka kuAccount yeqembu baqala baxazulula izinkinga zomphakathi bebonke. uSara waba nguMongameli weKomiti esebenzisa isipho sakhe sobuholi ehlela futhi ehlanganisa abasemakhaya ukwenza izinto ezinhle uma uJesu bekangumholi

**Indaba 2:** Izintokazi eziphuma esifundweni seBhayibheli baseUganda banquma ukukhonza isigodi sabo njengoba noJesu ezokhonza. Bahlela ngokucophelela iphrojekthi yabo yokuqala: behlanza udoti endaweni ezungeze ibha yendawo. Ababili besifazane bangena ngesibindi kwiBha yendawo. (Ngemvamisa, abesifazane abangenayo kuphela kwiBha yizifebe.) Bacela imvume yokuhlanza udoti. Abanikazi ngokushaqeka bahleka kodwa bavuma. Abesifazane baqoqa umphakathi, nabantu abanengi abangamaVolontiya. Iqembu lagubha imigodi emibili: enye kudoti obolayo futhi enye eyezinto ezingaboli. When bar patrons saw others cleaning up their trash, they helped. Ngokujabula komphakathi, abanikazi beBha baqhubeka ngokugcina indawo ihlanzekile. Bekhuthazekile, omunye wabesifazane wanquma ukukhanda izitofu eziyisishiyagalolunye ezonga uphethiloli emindenini yendawo futhi nokunikezela ngamabhodo wokugcina amanzi kubantu abasweleyo. okulandelayo, iqembu elifunda ngezeBhayibheli baqala iprojekthi enkulu: intengiso emphakathini. Ikakhulu abesifazane besigodi bebahamba amahora amaningi, bebethwala imifino nezinto abazithengisayo ukuzidayisa ekudeni. Indawo yokudayisa eseduze izobenza benze amali ngenkathi ibenza babe seduzane nemindenini, umphakathi, nensimu. Umhlaba bebawunikiwe, kepha bokunzima ukuqala ukwakha intengiso kubantu. Abesifazane abafunda ngezeBhayibheli bakhuleka, abasebenzi bezitaladi bebelungisa umgwaqo maduzane bazizela nogandaganda bezolalisa umhlaba wesakhiwo ngaphandle kokuba khokhisa. Ngosizo oluvela kuNkulunkulu iqembu elincane labesifazane bamaKrestu wasemakhaya bathola futhi baqoqa izinto, balonda imali, baxazulula izinkinga, futhi bakha indawo yokuthengisa emphakathini. Izimpilo zabo zesimoya zakhula ngokukhonza abanye endaweni kaJesu.

- Kwenzakalani kulezindatshana ngokulandelana?
- Ngenxa yabantu kulezindatshana, ingabe imiphakathi iye yasondela eduze ngendlela uJesu bekalose ukuthi baphile ngayo? Kungani?
- Eyiphi eminye yemisebenzi lamaqembu ayenzule?
- Ungenza kanjani okufanayo emphakathini wenu?

Sonke singaba yinxenye ekuboneni imiphakathi yethu iphenduka kakhulu ngendlela bekalose ngayo uNkulunkulu.

## Inguquko yomphakathi ezindaweni ezine

### INGXOXO YEQEMBU ELIKHULU

uNkulunkulu naye ulangazelela ukubona umphakathi oshintshile sibe njengombuso wakhe. uJesu wasikhuthaza ukuthi sikhuleke ukuthi umbuso wakhe mawufike emhlabeni njenjasezulwini' wasitshela 'ukuthi sifune umbuso kuqala.'

- Ake ucabange ukuthi kuzoba njani ukuphila emiphakathini lapho wonke umuntu ephila ngokumamela uNkulunkulu ngokuphelele kuzindawo zozine? Kuzaba nemindeni ethokozile nomakhelwane abajabulile, besizana futhi behlala ngokuthula; ngeke kube khona ukuphikisana noma ukulwa

nokungathembani.

- Yngathanda ukuphila emphakathini onjalo? Kungani?

uNkulunkulu usiphe umbono othokozisayo: umbono woMbuso wakhe uza emhlabeni. Ufuna sibe yinxenye yokwakha umbuso wakhe emhlabeni. Cabanga ukuthi umhlaba bowuzoba njani uma wonke umuntu bekamlalela uNkulunkuluBekuzoba njengaseZulwini! Yize siyazi ukuthi lokhu ngeke kuphelele andukuba uJesu abuye, singaqalisa ukusebenza kulombono esiwuphiwe nguNkulunkulu.

Imihla nemihla kufuneka sivuke sicabanga ngalokhu:

1. Ngingawakha kanjani uMbuso kaNkulunkulu namuhla?
2. Ngingenzani ukukhulisa uMbuso kaNkulunkulu?
3. Ngingaphila kanjani ngomthetho kaNkulunkulu?
4. Ngingawusiza kanjani umndeni wami / nomphakathi ukuthi wenze okufanayo?

#### **UMSEBENZI WEQEMBU ELINCANE**

- Cabanga ngezinto ezimbili ongazenza luleli sonto ukuletha uMbuso kaNkulunkulu emphakathini wakho.

Thandazani ndawonye nicele uNkulunkulu usizo lwakhe lokuletha uMbuso wakhe emphakathini wakho.

# Isifundo 5: Ukwakha uMbuso kaNkulunkulu

**Umqondo osemqoka:** Uma sikhoza abanye sizobona imiphakathi yethu iguquka kancane kancane iba njengoMbuso kaNkulunkulu

**Izinto zokusebenza:**

1. Umhlahlandlela Womfundi: Izindatshana zikaNkosikazi. Lee nemiNdeni eswelayo nemibuzo exoxwayo
2. Umhlahlandlela Womfundi: Umndeni owodwa womKrestu wenza umehluko indaba nemibuzo

## Qala ngawe noMndeni wakho

### INGXOXO YEQEMBU ELIKHULU

Ukwakha uMbuso kaNkulunkulu kulandela indlela elula:

*Imiyalo Yomgqunguzeli: Dweba lindlela ebhodini noma kuPhosta.*

Wena → Umndeni wakho → Umphakathi wakho → Izwe lakho

#### 1. Qala ngawe

Isinyathelo sokuqala ukubona umbuso kaNkulunkulu wakhekile empilweni yakho, emndenini wakho, ebandleni lakho, emphakathini wakho, futhi nasezweni lakho ukuthi uzihlole wena. Ingabe uyazama ukumlalela uNkulunkulu kuzo zonke izindawo zempilo yakho?

#### 2. Fundisa futhi ukhuthaze umndeni wakho

Uma uqala ukulalela uNkulunkulu kuzo zonke izindawo zempilo yakho, udinga ukukhuthaza umndeni wakho wenze ngokufanayo.

#### 3. Cela kuNkulunkulu akusebenzise ukuthanda abanye

Qala ukhuleke ucele uNkulunkulu akusize ukwenza umehluko kwabanye. Funa amathuba. Njengoba ubona abantu abaswele, cela uNkulunkulu akubonise ukuthi ungabasiza kanjani labo bantu.

#### 4. Khonza abanye

## Umndeni oswelayo

### INGXOXO YEQEMBU ELIKHULU

Ake ucabange kukhona umndeni ohlala eduze kwesonto lakho. Umyeni uvame ukuhamba, kodwa kanye ngenyanga noma ezimbili ubuya izin suku ezimbalwa bese ebuya nemali encane yomndeni. uNkosikazi ubheke izingane zabo ezintathu futhi akekho noyedwa kubo ofunda isikolo. Imvamisa, izingane zigijima zingafake zicathulo futhi zigqoke izingubo ezindala kakhulu. Indlu yabo idilike ngokweqile futhi ibukeka kabi emvuleni. Kwesinye isikhathi kuzwakala izingane zikhala ngoba zilambile.

- Yiziphi ezinye izidingo lo mndeni onazo?

Ngaphezu kwanoma yini lo wesifazane mhlawumbe uzizwa engenathemba Abantu abanengi abangasebenzi akubona abavilaphayo njengoba singalindela . Imvamisa, bacindezelwa ubunzima bempilofuthi baba nenkinga yokukholwa ukuthi bangashintsha noma yini. Umsebenzi wakho obaluleke kakhulu ukubasiza babone ukuthi isimo singashintsha ngokubasiza ukuthi baqale ukushintsha. Ngenkathi isipho esincane selayisi silungile kulomndeni, uma ukwenza lokho ngaphezu kwesisodwa umane nje ubakhuthaza ukuthi bakholelwe ukuthi abanathemba. Abakudingayo yithemba lokuthi impilo ingashintsha.

- *Qoqa izingubo ezisetshenzisiwe esontweni bese uzama ukunikeza ingane ngayinye izingubo eziyisisekelo.*
- *Qala ukuvakasha noMama njalo futhi amkhuthaze ukuthi abone ukuthi impilo ingahluka.*
- *Siza umndeni wakhe kabusha indlu. Cela abantu abambalwa abavela esontweni ukuba beze bazosiza*

ngomsebenzi, kepha sebenzisa izinto umndeni onazo kanye nokusetshenziswa kwezingane. Abaneminyaka engamashumi nambili banamandla amaningi!

- Khuthaza umndeni ukuthi uqale ingadi encane ukutshala imifino ukuze bathole ukudla okungcono.
- Nikeza umndeni amtshwele ambalwa bese uthola omunye umuntu ongawusiza ufunde ngokufuya izinkukhu. Uma kunesidingo, gcina izinkukhu endlini yakho ukuze umndeni ungalingeki uzidle ngokusheshe bese ucela enye yezingane ukuthi ifike nsuku zonke ukuzolanda amaqanda nokunakekela izinkukhu. Qiniseka ukuthi uyabafundisa ukuthi zinakekelwa kanjani kahle izinkukhu. Thintana nomndeni wendoda nonkosikazi.
- Bangasiza nganoma iyiphi indlela?
- Siza umndeni ukuthi uhlele kangcono ukuthi imali yomyeni ingayisenzisa kanjani. Bangatshala kokunye okuzobanika imali ethe xaxa ngokuzayo? Bangakwenza kanjani kagcono ukuthi kuhlale isikhathi sonke?

## Imiphakathi

### INGXOXO YEQEMBU ELINCANE noma ELIKHULU

**Imiyalo Yomngqunguzeli:** Yamaqembu afundile, sebenzisa **UMHLAHLANDLELA WOMFUNDI** bese ucela abafundi ukuthi bafunde le ndaba futhi baxoxe ngemibuzo ngamaqembu. Amaqembu angafundile wona funda indaba eklasini ukuze baxoxe ngayo.

Le yindaba eyiqiniso yendoda eyathutha nomndeni wayo iya endaweni lapho kwakungekho maKrestu ngoba befuna ukuhlanganyela uKristu nabantu. Wayefuna ukubona uMbuso kankulunkulu wakha. Futhi izimpilo zabantu zibuyiselwa kuzo zonke izindawo ngokwengqondo, ngokwenyama, nangokwenhlalo

### Umndeni Owodwa WamaKristu Wenza Umehluko

Lena indaba yokuthi umndeni owodwa wamaKristu usiza kanjani ukwakha umbuso kaNkulunkulu endaweni engeyona eyamaKrestu. Lo muzi wawusezintabeni zeHimalaya. Ebangeni elingamakhilomitha ambalwa ukusuka emzaneni kwakuyinsimu yetiye

Lokhu kuhlinzekele abantu abasemzaneni ngomsebenzi omkhulu. Kepha, imihlo ibiphansi kakhulu kangangoba abantu babedonsa kanzima ukuze baphile noma benemisebenzi. Idolobhana lalaxhiwe cishe ngamashumi amabili nanhlano okucekela phansi, okwakhiwe kabi, izindlu zamapulungwe ezifulelwe ngothayela. .

Indlu ngayinye yayisendaweni encane. Ukupheka kwakwenziwa emkhukhwini wokupheka ogcwele intuthu phezu komlilo ovulekile, ngebhodwe elincikiswe emnatsheni amathathu futhi izinhlanganisela zingcolile.

Isikole esiseduze besingamakhilomitha amabili kude. Kwakukude kakhulu ukuthi izingane zihambe nsuku zonke, futhi babenomsebenzi ababewenza ekhaya. Ngakho-ke, iningi lezingane alizange liye esikoleni. Abantu abanengi abadala babengakwazi ukufunda nokubhala. Ngakho-ke, babehlala besizakala abanye ngabo kumadolobhana ababekhona. Zazimbalwa izingadi ngoba amanzi aseduzane kwakuyichibi eliqhele ngamakhilomitha amabili. Kwakunzima ukuletha amanzi okuphuza nawokugeza, ingasaphathwa eyokunisela izingadi. Kuke kwaba nepayipi elivela kuleli chibi, kepha belingasasebenzi, futhi abantu bebengenzanga lutho ngokulilungisa. Imvula ibivama ngezikhathi ezithile ngaphandle kwenkathi eyodwa yokukhula lapho imvamisa bekuba nemvula eyanele yokuthola isivuno sabo esikhulu selayisi. Yayingekho indawo noma isikhathi esanele sokutshala imifino. Uma bebenenhlahlala, bebengavuna ilayisi elanele ukuba badlule kuze kufike isivuno esilandelayo.

Abantu babengamaHindu, ngakho-ke babekhonza onkulunkulu abanengi abehlukene. Kunonkulunkulu abangaphezu kwesigidi esisodwa, okumele amaHindu abashwelebe futhi babakhonze. Idolobhana lalinezithixo

eziningi ezincane zonkulunkulu bamaHindu. Njalo lapho abantu bendawo bedla, babebeka phansi ukudla kwemimoya ezulazulayo.

Kwakunomuzwa wokwehlulwa nokungabi nathemba. Ukuphela kwethemba labo ukuthi mhlawumbe empilweni elandelayo bazophinde bazalwe babe sesimweni esingcono. Kepha kwakukhona nethuba lokuthi, uma benza onkulunkulu bangajabuli, babezophinde bazalwe njengegundane nomainja. Bazizwa bevalelekile, bengenandlela yokuphuma futhi bengenandlela yokuzithuthukisa.

ULepcha wayengumvangeli owathuthela kule ndawo. Wafundela ukufunda izisekelo ngokusiza abanye ukuthi bathuthukise impilo yabo esifundweni senyanga eyodwa. Lapho eseqedile izifundo, wathutha nomndeni wakhe baya emzaneni ukuze bakwazi ukuhlala lapho ukusiza omakhelwane babo ngokuhlanganyela lokho abakufundile. Babenehlanguanisela ehlanzekile impela enendlu yokupheka eyayineziko eliphakeme, okwakwenza ukupheka kube lula futhi kusetshenziswe nezinkuni ezingatheni. Babenehhoko elincane lokufuya izinkukhu zabo. Batshala ingadi encane yemifino, eyathuthukisa umsoco wezingane zabo. Babenendlu yangasese engaphandle, futhi izingane zabo zazingenazo izibungu noma isifo sohudo kaningi njengezinye izingane ezisendaweni.

U-Lepcha wafaka ama-gutters ophahleni lukathayela wendlu yakhe wabeka nemigqomo yokuqoqa imvula ngaphansi kwawo ukuze kukhiwe amanzi lapho kufika imvula ethile. Abanye bakopishe lo mbono futhi, manje uma lina, nabo banamanzi.

u-Lepcha uthole abantu emphakathini ukuthi basebenzisane babeke ipayipi elisuka echibini liya emzaneni, khona manje abasemzaneni banamanzi amaningi, anele ukunisela izingadi zabo zemifino. Abantu abanengi bakopishe izindlu zezinkukhu futhi bakhe izindlu zangasese ezinganuki noma ezingenampukane.

Lapho kufika umndeni wakwa-Lepcha, baqala ukufundisa abantu abadala nezingane ezazifuna ukufundiswa ukufunda nokubhala. Baqala ngokufundisa izingane nentsha indlela yokufunda. Namuhla, lo muzi unesikole sawo sezingane kuze kufike ebangeni lesine.

Namuhla kunibandla elincane ngenxa yemindeni engamashumi amabili nantathu kwengama shumi amabili nanhlanu inobudlelwano bomuntu siqu noKristu konke lokhu kungenxa yokuthi lo mndeni owodwa wabelane noKristu ngamazwi nangezenzo.

Abantu banesifiso sokufeza okuthile futhi bayabona ukuthi bangaphila impilo ephilile ngoba umndeni owodwa ubakhathalele ngokwanele ukuthi uze wabelane ngempilo yabo nabo.

Lendaba efanayo ixoxwe ngezikhathi nezikhathi emizaneni yasenyakatho yeNdiya naseMpumalanga yeNepal. Namuhla izinto ezifanayo ziyenzeka emizaneni engu- 120 kule ndawo izimpilo zabantu ziyashintsha emzimbeni. Kepha umuzi nawo uyaguqulwa ngokomoya njengoba kuqalwe ukuhlangu kwasekhaya okungu-107, kwezinkulu zonke yishumi nambili inamalungu angama- 200.

- Yiziphi ezinye izinguquko u-Lepcha azilethele umphakathi? Phinda ubheke le ndaba bese wenza uhlu ngaphansi kwezihloko, ezingokwengqondo, nezingokwenyama, ezomoya kanye nezenhlalo.

**Izinto Zokwakha**

Komunye umphakathi we-TCT, isonto lazizwa uNkulunkulu ebaphonsela inselelo yokwakhela wonke umuntu umphakathi amakhaya azinzile. Benza ucwaningo lwendawo banquma ukuthi kunezindlu ezingama-35 ebezizowa futhi ezidinga ukwakhiwa kabusha noma ukulungiswa kwazo. Ngokuhamba kwesikhathi, amalungu esonto aqoqa izinsiza futhi anikela ngesikhathi sabo ukuqedela umsebenzi. Bakwazi ukuqeda amakhaya ayi-17 kwangu-35. Nokho, emva kokuqeda indlu ye-17, babona ukuthi abanazo izinsiza zokwakha kabusha izindlu ezisele eziwu-18. Kunokuba badikibale bayeke umsebenzi ababehlose ukuwuqeda, amalunga ebandla anquma ukuhlangana bazokhuleka ubusuku obubodwa ukuze bacele uNkulunkulu akuthi abasize baqedele umsebenzi.

Ngakusasa ekuseni bephuma esontweni, amaloli amakhulu agcwele izinto zokwakha aqhamuka ngaphandle kwesonto aqala ukulahla imithwalo yawo. Edidekile, amalungu esonto aphuthuma ayotshela abashayeli bamaloli ukuthi banekheli okungelona. Akekho owaye-ode noma yiziphi izinto zokwakha, futhi akekho noyedwa owayekwazi ukukhokhela zonke lezi zinto. Abashayeli bamaloli baphendula ngokushesha ukuthi izinto zokwakha kwakungumthwalo wesonto manje,

futhi uma bengazifuni izinto zokwakha, kuzofanele bazihambise. Ingxoxo eyengeziwe iveze ukuthi okokusebenza bekuyinsalela evela esitolo esiseduze, futhi beculahlwa ukwenza isikhala sezinto ezintsha. Lapho abaholi besonto bebuza abashayeli bamaloli ukuthi kungani bezilahle lapho izinto phambi kwesonto, abashayeli bamane baphendula bathi, “Besikhathele ukushayela, futhi besizizwa sengathi sizilahla izinto ukuze sikwazi ukubuyela endlini yokugcina izimpahla.” Ngakho-ke isonto lathola zonke lezi zinto zokwakha mahhala. Kuvele ngendlela eyisimanga ukuthi yanele ukuqedela zonke ezinye izindlu zomphakathi.

Ngayinye kulawa mabandla ikhiqize amasonto amabili amasha ezindaweni ezihlukene.

Eminyakeni eyisithupha emva komhlathshelo wokulalela kwebandla elincane kakhulu namalungu alo, kwaba nomphumela omkhulu obonakalayo emiphakathini nasemasontweni akule ndawo. Eqinisweni, uguquko eKagishu lwaqinisekiswa njengoba amalungu omphakathi aphakamisa ukuthi kuqanjwe kabusha umphakathi ususelwe eKagishu (okusho ukuthi “ummese”) ube yiRuita (okusho ukuthi “ukususa into eyingozi”).

- Kwenzakaleni kulendaba?
- Lalikhulu kangakanani leliSonto ekuqaleni?
- Waba yini umthelela wezenzo zabo?

### Ukuvuna izitshalo

Kwelinye idolobhana kwakuyisiko lapho kuvunwa izitshalo ukuthi amalungu omphakathi abuthane ndawonye ukuze asizane emasimini omunye nomunye. Kodwa-ke, umuntu okwakuvunwa insimu yakhe kwakudingeka anikeze ukudla neziphuzo eziningi ngosuku ngalunye amalungu omphakathi ayesiza ngalo. Ngeshwa, izindleko zesidlo zazisho ukuthi imvamisa umnikazi womhlaba angenza inzuzo encane kakhulu esivunweni sakhe.

Isonto linqume ukuthi, njengeZenzo Zothando, bazosiza eminye yemindeni empofu emphakathini ukuvuna umhlaba wabo ngaphandle kokufuna noma yini ngendlela yokukhokha. Esikhundleni salokho babezozilethela ukudla abazokudla ngesikhathi sedina. Ngenkathi amanye amalungu omphakathi eqala ukubona indlela isonto elikhonza ngayo abampofu, banquma ukuthi nabo kufanele basizane ngaphandle kokudinga isidlo esikhulu neziphuzo.

Kulezi zinsuku wonke umuntu uyasizana ukuvuna izilimo zakhe. Akekho okufanele anikeze noma kuphi utshwala noma ukudla. Inzuzo eyenziwa abalimi ezweni labo inyuke kakhulu futhi, ngenxa yalokho, manje sebenokudla okwanele unyaka wonke.

- Ibandla lenzeni ukusiza kulomphakathi?
- Waba yini umthelela? Kwenze ziphi izinguquko emphakathini wonke?

## Kungani Ukuhlela Kubalulekile

### INGXOXO YEQEMBU ELIKHULU

Asifunde enye Indaba:

UMnu Lim, ongumlimi, waphuma wayolungisa isiqeshana sakhe somhlaba sokutshala. Ngesikhathi esendleleni, wakhumbula ukuthi umkakhe wayemcele ukuthi ondle izinkukhu. Ngakho-ke wagoduka, wayolanda ukudla kwezinkukhu, wayeseya kondla izinkukhu. Ngesikhathi esadlisa izinkukhu, wabheka isibaya sezimbuzi wabona ukuthi siphukile. Wazizwa ekhathazekile ukuthi uma ingalungiswa ngokushesha imbuzi ingahle ibaleke. Wabuyela ekhaya wayofuna ucingo lokulungisa isibaya sezimbuzi. Njengoba wayengenawo amathuluzi afanele; waya kumakhelwane wakhe, uMnu Son, wacela ukuboleka amathuluzi kuye. Njengoba wayevele evakashile, wanquma ukuthatha imizuzu embalwa eyengeziwe ukukhuluma noMnu Son, owayengumKristu omusha esontweni futhi ezwa ukuthi unenkinga enzima.

Ngo-11: 30 unkosikazi kaMnu Son wabuza ukuthi angathanda yini ukuhlanganyela nabo esidlweni sasemini. Ebona isikhathi, uMnu Lim waxolisa futhi wabuyela ekhaya masinyane esidlweni sasemini nomnden wakhe. Ngemuva kwesihlwathi esincane wayeseqeda ukuyolungisa isibaya sezimbuzi. Ngenkathi eqeda lowo msebenzi, unkosikazi wakhe wamkhumbuza ukuthi ipompo emthonjeni yayingasebenzi futhi wathi ngenkathi enamathuluzi kaMnu Son kufanele awulungise nawo. Njengoba usuku luphelile, wayesecishe waqeda ukulungisa iphampu. Nokho futhi, wayengakafiki ensimini ezotshalwa. Kepha uzizwe anelisekile ngandlela thile ngokwazi kusasa ekuseni uzodinga nje ukuqeda ukulungisa ipompo abuyise amathuluzi. Ngemuva kwalokho angaqala ngokutshala.

- Kwenzakaleni kule ndaba?
- Ingabe izinto ebekezenza izinto ezimbi noma ezidingekayo?
- Uyoba yini umphumela wokugcina uma umlimi eqhubeka nokuphatha ipulazi lakhe kanjena futhi engalokothi ukuqedela ukutshala?

Njengeqembu, thandazelani ukuthi ningaqala kanjani ukwenza olunye lwalezo zinguquko lube ngokoqobo. Thatha isikhathi sokulalela uNkulunkulu futhi wabelane ngalokho akubonisa kona.

**YENZA UHLELO LWAKHO:**

Buyekeza izinyathelo zokuhlela Izenzo zoThando KUMHLAHLANDLELA WOMFUNDI. Bese ukhetha olunye lwezinguquko bese ngokuhlanganyela nihlele Izenzo Zothando ukusiza ukuletha lokhu.

**Izinyathelo Zokuhlela Izenzo Zothando**

**Isinyathelo 1: Thandaza**

Into yokuqala okufanele uyenze ukuthandaza. Thatha isikhathi manje sokuthandaza. Cela uNkulunkulu akubonise ukuthi yini okufanele uyenze ku-Zenzo Zothando. Qiniseka ukuthi uthatha imizuzu embalwa yokuthula ulalele uNkulunkulu.

**Isinyathelo 2: Khetha umsebenzi**

Njengeqembu, nqumani ukuthi yini eningayenza njengeZenzo Zothando. Ingabe uNkulunkulu unikezile ugqozi? Uma kukhona onemibono yokuthi yini engenza Izenzo Zothando zibe zinhle, bacele babelane. Bheka futhi neminye imibono oyibhale kusifundo 5: UNkulunkulu ufuna ibandla lisize kanye neSifundo 6: Yiziphi ezinye zezidingo esingasiza ngazo. Ngokubambisana, vumelanani ngalokho enibona sengathi uNkulunkulu uniholela kukho.

Uma usukhethe isihloko, qiniseka ukuthi kuyinto ongayenza ngosuku olulodwa nje. Amanye amaqembu akhetha into enkulu kakhulu. Qhubeka ucabange uze ube nokuthile ongakwenza ngosuku olulodwa, usebenzisa izinsiza zendawo, futhi ubandakanye abantu abaningi ngangokunokwenzeka.

**Iimiyalo Yomngqunguzeli:** Uma nenza izinhlelo ngamaqembu amancane yenza iqembu ngalinye libe nombono walo futhi linikeze impendulo evela kwabanye.

- Ingabe ikhombisa uthando?
- Ingabe incane futhi ilula?
- Ingenziwa usebenzisa izinsiza onazo ezikhona?
- Ingabe ibandakanya abantu abaningi ngangokunokwenzeka?

**Isinyathelo 3: Lungiselela uhlelo**

Xoxani ngemibuzo elandelayo. Uma kungenzeka, yenza othile aqophe izimpendulo ukuze ungakhohlwa.

- Uzokwenzenjani?
- Yiziphi izinsiza ozidingayo? Uzoithathaphi lezo zinto? Ngubani ozozithola?
- Uzosiza bani?
- Ngubani ozobamba iqhaza ekusizeni? Ngubani ozomema wonke umuntu?
- Uzokwenza ngaluphi usuku?

**Imiyalo Yomgqugquzeli:** Uma ikilasi lisebenza ngamaqembu amancane, ake iqembu ngalinye linikeze uhlelo lwalo. Cella iqembu ukuthi linikeze iziphakamiso ezingaba khona ukuqinisa izinhlelo.

#### **Isinyathelo 4: Thandaza**

Uma usuqedile ukubhala uhlelo, zinike isikhathi sokukhuleka futhi. Cella uNkulunkulu akusize uqedele iphrojekthi futhi wandise imiphumela. Asikhulekele ukuthi igama Lakhe likhazinyuliswe. Ngesonto noma amabili ezayo, ngenkathi ulungiselele iphrojekthi yakho, kufanele ukuthi uthandazela ukuthi uNkulunkulu akusize ngalo msebenzi.
