Umndeni ompofu wawuthokozile ngokuthi manje sebezokwazi ukwenza okuthile, futhi bahamba ngokushesha futhi baqasha indawo encane nakho konke okwakudingeka ukuqala. Ekupheleni konyaka, bathola isivuno esihle futhi bakwazi ukukhokha irenti yomhlaba, imali yembewu, futhi baba nenzuzo enhle yomndeni.

## Indaba 3 – Unkosikazi Lee nokubuyisana komndeni

Umndeni wesithathu uNkosikazi Lee ufuna ukuwusiza wawuhlukanisiwe nabazali bawo. Abazali babekholelwa ukuthi indodana yabo nomndeni wayo babengenalusizo futhi babengeke babe yilutho. Unkosikazi Lee uhlangane nomndeni ukuzama ukuhlanganisa lezi zinhlangothi zombili. Unkosikazi Lee uqinisekise ukuthi uzohlangana njalo nomndeni futhi awusize enze ngcono izimpilo zawo uma abazali bezimisele ukwamukela umndeni ubasize kancane. Ngenxa yalokho, abazali bathatha isinqumo sokuphinda bathembe indodana yabo futhi banquma ukuyiboleka imali ethile ukuze ikwazi ukuqala ibhizinisi lensimbi elilahliwe. Manje uthenga izinto ezindala, esezenziwe nge-Iron azidayisele esitolo sendawo sokuphinda usebenzise kabusha. Manje useyakwazi ukondla umndeni wakhe futhi uzizwa sengathi unesithunzi

# Isifundo 5: Umehluko womndeni owodwa

## Umndeni owodwa wamaKrestu wenza umehluko

Lena indaba yokuthi umndeni owodwa wamaKristu usiza kanjani ukwakha umbuso kaNkulunkulu endaweni engeyona eyamaKrestu. Lo muzi wawusezintabeni zeHimalaya. Ebangeni elingamakhilomitha ambalwa ukusuka emzaneni kwakuyinsimu yetiye

Lokhu kuhlinzekele abantu abasemzaneni ngomsebenzi omkhulu. Kepha, imiholo ibiphansi kakhulu kangangoba abantu babedonsa kanzima ukuze baphile noma benemisebenzi. Idolobhana lalakihiwe cishe ngamashumi amabili nanhlanu okucekela phansi, okwakhiwe kabi, izindlu zamapulangwe ezifulelwe ngothayela. .

Indlu ngayinye yayisendaweni encane. Ukupheka kwakwenziwa emkhukhwini wokupheka ogcwele intuthu phezu komlilo ovulekile, ngebhodwe elincikiswe emnatsheni amathathu futhi izinhlanganisela zingcolile.

Isikole esiseduze besingamakhilomitha amabili kude. Kwakukude kakhulu ukuthi izingane zihambe nsuku zonke, futhi babenomsebenzi ababewenza ekhaya. Ngakho-ke, iningi lezingane alizange liye esikoleni. Abantu abaningi abadala babengakwazi ukufunda nokubhala. Ngakho-ke, babehlala besizakala abanye ngabo kumadolobhana ababekhona. Zazimbalwa izingadi ngoba amanzi aseduzane kwakuyichibi eliqhele ngamakhilomitha amabili. Kwakunzima ukuletha amanzi okuphuza nawokugeza, ingasaphathwa eyokunisela izingadi. Kuke kwaba nepayipi elivela kuleli chibi, kepha belingasasebenzi, futhi abantu bebengenzanga lutho ngokulilungisa. Imvula ibivama ngezikhathi ezithile ngaphandle kwenkathi eyodwa yokukhula lapho imvamisa bekuba nemvula eyanele yokuthola isivuno sabo esikhulu selayisi. Yayingekho indawo noma isikhathi esanele sokutshala imifino. Uma bebenenhlanhla, bebengavuna ilayisi elanele ukuba badlule kuze kufike isivuno esilandelayo.

Abantu babengamaHindu, ngakho-ke babekhonza onkulunkulu abaningi abehlukene. Kunonkulunkulu abangaphezu kwesigidi esisodwa, okumele amaHindu abashwelebe futhi babakhonze. Kwakunomuzwa wokwehlulwa nokungabi nathemba. Ukuphela kwethemba labo ukuthi mhlawumbe empilweni elandelayo bazophinde bazalwe babe sesimweni esingcono. Kepha kwakukhona nethuba lokuthi, uma benza onkulunkulu bangajabuli, babezophinde bazalwe njengegundane nomainja. Bazizwa bevalelekile, bengenandlela yokuphuma futhi bengenandlela yokuzithuthukisa.

ULepcha wayengumvangeli owathuthela kule ndawo. Wafundela ukufunda izisekelo ngokusiza abanye ukuthi bathuthukise impilo yabo esifundweni senyanga eyodwa. Lapho eseqedile izifundo, wathutha nomndeni wakhe baya emzaneni ukuze bakwazi ukuhlala lapho ukusiza omakhelwane

babo ngokuhlanganyela lokho abakufundile. Babenenhlanganisela ehlanzekile impela enendlu yokupheka eyayineziko eliphakeme, okwakwenza ukupheka kube lula futhi kusetshenziswe nezinkuni ezingatheni. Babenehhoko elincane lokufuya izinkukhu zabo. Batshala ingadi encane yemifino, eyathuthukisa umsoco wezingane zabo. Babenendlu yangasese engaphandle, futhi izingane zabo zazingenazo izibungu noma isifo sohudo kaningi njengezinye izingane ezisendaweni.

U-Lepcha wafaka ama-gutters ophahleni lukathayela wendlu yakhe wabeka nemigqomo yokuqoqa imvula ngaphansi kwawo ukuze kukhiwe amanzi lapho kufika imvula ethile. Abanye bakopishe lo mbono futhi, manje uma lina, nabo banamanzi.

u-Lepcha uthole abantu emphakathini ukuthi basebenzisane babeke ipayipi elisuka echibini liya emzaneni, khona manje abasemzaneni banamanzi amaningi, anele ukunisela izingadi zabo zemifino. Abantu abanengi bakopishe izindlu zezinkukhu futhi bakhe izindlu zangasese ezinganuki noma ezingenampukane.

Lapho kufika umndeni wakwa-Lepcha, baqala ukufundisa abantu abadala nezingane ezazifuna ukufundiswa ukufunda nokubhala. Baqala ngokufundisa izingane nentsha indlela yokufunda. Namuhla, lo muzi unesikole sawo sezingane kuze kufike ebangeni lesine.

Namuhla kunebandla elincane ngenxa yemindeni engamashumi amabili nantathu kwengama shumi amabili nanhlano inobudlelwano bomuntu siqu noKristu konke lokhu kungenxa yokuthi lo mndeni owodwa wabelane noKristu ngamazwi nangezenzo.

Abantu banesifiso sokufeza okuthile futhi bayabona ukuthi bangaphila impilo ephilile ngoba umndeni owodwa ubakhathalele ngokwanele ukuthi uze wabelane ngempilo yabo nabo.

Lendaba efanayo ixoxwe ngezikhathi nezikhathi emizaneni yasenyakatho yeNdiya naseMpumalanga yeNepal. Namuhla izinto ezifanayo ziyenzeka emizaneni engu- 120 kule ndawo Izimpilo zabantu ziyashintsha emzimbeni. Kepha umuzi nawo uyaguqulwa ngokomoya njengoba kuqalwe ukuhlangana kwasekhaya okungu-107, kwezinkulu zonke yishumi nambili inamalungu angama- 200.

- Yiziphi ezinye izinguquko uLepcha azilethele umphakathi? Phinda ubheke le ndaba bese wenza uhlu ngaphansi kwezihloko, ezingokwengqondo, nezingokwenyama, ezomoya kanye nezenhlalo.
