Fundza Indzaba yeMfundisi Wong

Kwake kwabakhona umfundisi kulelinye libandla lelincane emacentselweni laphuyile elidolobha lelikhulu. Ligama lakhe kwakungu Wong. Wong wahamba wayohlala kulenzawo ngoba abetivele ngalokugcwele emoyeni wakhe kutsi Nkhulunkhulu umtfumele kulenzawo. Lelibandla belinelinani lebantfu lelingu 40. liningi babo kwakubesifazane nebantfwana. Wong bekasebenta imisebenti lemibili. Wenta konkhe lokusemandleni akhe kuhola lelibandla lelincane, waphinde watfola lomunye umsebenti ukute atokhona kondla umkakhe nebantfwana bakhe lababili.

Ngalelinye lilanga, njengenjwayelo, wavuka entsatsakusa atokuba nesikhatsi lesikhetsekile naNkulunkulu. Wavuka wagcoka, waphuma kulelikhethini belehlukanisa indawo yekulala neyekuhlala kulendlu yinye yabo bebalhala kuyo nemkakhe nebantfwana. Wakhanyisa sibane sakhe. Wacala wafunda eBhayibhelini lakhe. Kuleyontsatsa kusa ebefundza ku Isaya, sehluko sika 58, asafunda weva kukhala kwaNkulunkulu ngendlela lafuna amkhonte ngayo.

Akusiyo yini indlela yekuzila lengiyikhetsile mine Nkulunkulu lena: akusiko yini kutfukulula tibopho tebubi, nekukhumula tintsambo telijoko nekukhulula labacindzetelwe, nekwephula onkhe emajoke, akusiko yini kuhlephulelana kudla kwakho nalabalambile, nekulalisa tihambi endlini yakho, nekutsi nawubona lohlubulile umembulele, ungagucukeli labo labayinyama nengati yakho.

Wong akabanga asachubeka nekufundza. Inhlitiyo yakhe nengcondvo yakhe kwangabi nekuthula. Nangabe Nkhulunkhulu ubatsandza kangaka labeswele, kungani yena atikhanda asenhluphekweni nekweswela lokungaka lokwakwephula noma kudzabukisa inhlitiyo yakhe. Bekati konkhe kuhlupheka kwemango wakibo nendlela bebabanebulukhuni bekuphila. Bebacindzeteleke impela. Kwayena Wong bekaba nebulukhuni

bekondla umndeni wakhe futsi imvamisa yesikhatsi angakhoni kubatsengela imitsi bebawudzinga. Wacabanga kutsi uphi Nkhulunkhulu? lebatsandza kuyifunda yayingahambisana noma ifananiwe njani netidzingo temmango wangakibo.

Asakhatsatekile nalemicabango lekwaba khona lonconcotsako emnyango.”Ingabe kungaba ngubani lona lonconcotsa ekuseni kangaka” Wong acabanga. Wase uya emnyango wabuta kutsi ngubani lonconcotsako. Liphimbo lalona bekangaphandle laphendula latsi ‘nginguJesu, Wong. “Ungubani kahle kahle”, kubuta Wong. Liphimbo lalingephandle laphendula latsi nginguJesu. Ngite ngoba ngikuvile kukhala kwenhlitiyo yakho. Ngifuna ungikhombise kutsi ukhatsatwa yini.

Leliphimbo lalivakala lingulelicinile. Wong wase uvula umnyango wakhe. Bekusesemnyama, Wong wabona umufanekiso kuphela kodwa lobefana nalona bekahlala acabanga Jesu kutsi angaba njengawo. “Ngena Nkhosi”, kushe Wong. “Chake Wong ngifuna uhambe nami ungikhombe ummango wakho ungikhombe konkhe lokukukhatsata ngawo nalokuphula inhltiyo yakho ngawo”Asesemangele, wavuma Wong, kodwa kumele sihambe ngebunono lokukhulu Besolo lina kakhulu ngako kunengi kungcola lokukhona ngenca yekutsi site imithoyi leminengi.

Basahamba etitaladini talommango, Wong abecocela Jesu ngetindzaba taletindlu bebatengca. Kuleya bekuhlala umfati lowatitsengisa kute bantfwana bakhe badle. Kulomkhukhu loya lolandzelako, bekunesidzakwa sendvodza lebesishaya umfati waso nebantfwabaso sonkhe sikhatsi idzakiwe lobekwakuyintfo lebeyenteka cishe sonkhe sikhatsi. Lapha ngesheya kwakulikhaya lalobekangamele lommango wetfu, idvodza leyayisikhohlakali lesikhulu sikhwabanisa imali lammangweni itsembisa ummango kuwufakela gesi – idzakwa futsi igembula ngayo lemali.

Bendlula indzawo yayivulekile emkhatsini walommango. Lendawo kwakufanele kube yidzawo yekwakha indlu yemphatsi kodwa yaseyigcwele kungcola lokunengi lokwakunuka kabi nemagundwane lasabekako. “Uyayibona lendlu leya”, kubuta Wong akhombise sandla sakhe emkhukhwini lowasuseceleni kwentsaba.”Kunemfati nebantfwana labahlala lapha. Laphahla lwalendlu leya luyanetsa kakhulu. Bahlupheka kakhulu. Banalokuncane kudla nekwegucoka, bahlala bagula njalo cishe sonkhe sikhatsi. ‘Ngalesikhatsi lesi laba lababili besebangasekugcineni kwalentsaba yalommango. Wong wakhomba sandla sakhe endzaweni lesigaba. Watsi “Lapha entansi - ngulapho lomfati nebantfwabakhe bahamba bate bafike khona kutewukha emanti. Washo nekutsi vele kute emanti kulenzawo.

Asajika likona Wong, weva sililo lesincane. Wabheka emuva afuna kubona kutsi sichamukaphi wakhanda kutsi kwakukhala Jesu. Wong wabona kutsi letintfo letatiphula inhltiyo yakhe naJesu tiyayephula neyakhe. Wase uyacala uyakhuluma kodwa Jesu welula umkhono wakhe wawugaca kuWong, wambuka wase utsi, “Wong ngifuna kukukhomba tinhloso tami lenginato ngalommango wakini.

Kusesenjalo, Wong watikhandza sabuka ummango wakhe. Jesu wase ucala uyakhuluma futsi. Wong abetibona tonkhe letintfo Jesu bekatichaza - tatenteka. Jesu wakhuluma ngebantfu basesontfweni laWong - njengobe bebeswele ngalendlela bebaswele ngayo kepha bebakhona kucembulelana baphane loko bebanako bodwana. Ngelilanga bebabeka noma bagcine lileyisi lelincane balifake ebhodloleni. Ekugcineni kweliviki, wonkhe muntfu bekaba nalo libhodlela leligcwele lileyisi lebebalimikisa esontfweni bayopha labo labete, ngegama likaJesu. Bebenta kanjalo futsi nangensipho. Bafati balelisontfo bebavakashela njalo bafelokati balenzawo babasite ngekubawashela banakekele bantfwababo nabagula.

Jesu wakhuluma ngendzaba yemsebenti, Wong wabona kutsi bantfu balommango bebanawo umsebenti nanobe bekungasiwo lowo loholela kakhulu kodwa bebakhona kondla imindeni yabo bente nakokonkhe lokwakumcoka. Jesu wakhuluma ngekwakha, Wong wabona imikhukhu leyayingenisa invula nemakhata

ishintja iba tindlu, hhayi letatisecophelweni lelisetulu kopha tindlu lebetitinhle tiphephile futsi tihlobile. Jesu wakhuluma ngemanti, khonalapho kwavele kwaba nemaphayiphi lamakhulu etindzaweni letitsite lapho khona bafati nebantfwana bebakhona kutfolo emanti lahlobile. Jesu wakhuluma ngekuhlanteka, Wong wabona imigodzi yetibi, hhayi kuwowonkhe umuti kodwa etindaweni lapho khona wonkhe umuntfu bekakhona kufinyelela khona. Lokungcola lokunengi lokwakusekhatsi nalommango kwavele kwanyamalala, esikhundleni sako kwaba netihlahlanyana letincane nebantfwana bebajabulile badlala ibhola. Jesu wakhuluma ngetimphilo tebantfu letatiguculekile. Wong wabona lomake bekatsengisa umtimba kute ondle bantfwabakhe sekondla bantfwabakhe ngemali yemsebenti lowawuhloniphekile. Lesidzakwa sendvodza sona besasiyindvodza lewutsandako umdeni wayo. Lomengameli wemmango yena besekangakhwabanisi imali yebantfu bemmango kodwa abesayisebentisa ngendlela lengiyo isita ummango. Jesu wase utsi” Wong buka nali libandla”, walibuka Wong. Laligcwele, kwakunemadvodza lombala, bantfu bebajabule impela. Bebabonga Nkhulunkhulu babonga nemusa wakhe. Wong wabonakala asamile, ashumayela angumholi aholo bantfu bakhe ngamoya nangelutsando lolulungile. Jesu watjela Wong kutsi lombono lona wonkhe lase awubonile ngiwo bekanawo ngemmango wakhe, wamtjela kutsi ufuna ahambise lombono kuwowonkhe muntfu emmangweni bese uholo lommango ngekusebentisa wona.

Wong wacala kubalisa,” kodwa Nkhosi, siphuyile nje!” “Wong” Jesu wambuta ngelivi lelincane, “Ngubani lowahola bantfwana baka Israyeli wabeweta lwandle lolubovu. Ngubani lowandzisa tinkhwa netimfishi wondla emadvodza latinkhulungwane letisihlanu kufaka ekhatsi bafati nebantfwana. Ngubani lowandzisa emafutsa emfelokati wase Sarephath kwase kwanela kutsi angondla umndeni wakhe iminyaka lemitsatfu yendlala. Ngubani lowathulisa lwandle lwaseGalile. “Nguwe Nkhosi”, waphendula Wong. “Manje lalela ke Wong, yenta loku lengitsite kwente. Hlephulelana ngaloku lonako, noma kukuncane kangaka. Memetela injongo yami kubantfu bakini----- Emoyeni nasenyameni. Ngitobese ngiphilisa live lenu.

Wong weva lichudze likhala, Umkakhe wakhwehlela wase ubheka ngasekhetheini. Wong bekahleli etafuleni, kepha sibane sakhe besesicimile. Wong wabuka endlini kutsi utawubona Jesu, kepha akatange abone muntfu. Wakhatsateka, “kambe bengiphupha, nome bekungumbono,” kepha akayitfolanga imphendulo, kepha Wong akatanga kutsi abevakashelwe nguJesu kungako bese anekucondza lokusha ngenjongo yaNkhulunkhulu ngalabaphuyile..... Kantsi futsi watfolo umbono lomusha ngekuhola bantfu bakubo kutsi babonakalise lutsandvo lwaNkhulunkhulu emphakatsini wakhe.

Umfana neKudla Kwakhe: Johane 6:1-14

Umyalo Walositako: Kungayinye ngayinye indzaba kulesifundvo, lungela kucoca indzaba ngendlela yekutakhela.

Kwakunalomunye umfanyana, weva kutsi thishela lodumile uyeta elwandle lase Galile, wafisa kuya ayombona nakakhuluma. Wacela make wakhe, kodvwa make wakhe watsi cha. Kwakukukhashane, nekudla kwasemini kwasekulunga. Wacela solo ancenga, ekugcineni make wakhe wavuma. Wampakishela kudlanyana kwasemini edukwini lakhe wase uyahamba.

Ekugcineni kwakokonkhe watseleka lapho ebeya khona, watfolo vele kutsi sekugcwele bantfu. Njengabobonkhe bafana, wafuca esicukwini waze wayofika embili. Ekugcineni wayitfolo indzawo lapho ebekhona kuva kahle lothishela kanye nebalandzeli bakhe. Ebengakholwa ngale ndlela lothishela abekhuluma ngayo naletintfo labekatiso. Wakhohlwa nekutsi solo akakudli kudla kwakhe kwasemini.

Ekugcineni, wase uyayiva indlala wakhumbula kudla make wakhe lamphakishele kona. Wabe uyofinyelela kuko kancane kancane, azama kutsi angatidonseli emehlo ebantfu.

Masinyane, thishela wacedza wase utsi kubafundzi bakhe abondle bantfu. Umfana wacalata wabona kutsi sicuku bese sandze sesifinyelel ku 5,000 wemadvodza kanye nebesifazane nebantfwana labanyenti. "Wow," wamangala, "batawulungiselela kanjani kudla kwebantfu labanengi kangaka. Asemangele, nalaba bebasita nabo bacabanga ngalokufanako, lomunye wabuta thishela kutsi batayitsatsaphi imali yekondla sicuku lesingaka. Kungabita umholo wencenye yemnyaka kute kungabakhona labangakunambitsa.

Thishela wababuta watsi, "Ninani?" Umfana wacala wafihla kudla kwakhe, kodvwa ebesaphutle. Munye umsiti longu Andrey a ebesambonile. Watsi "Thishela, lomfana una 1 2 3 4 5 wemalofu esinkhwa netimfishi letimbili." Thishela waphendvula watsi, "tibuyise lakimi"

Ase ungacabange nje kutsi kwentekani emvakwaloko?

Andrey a watsi emfaneni, "Thishela ufuna lelantji yakho." Umfana wavuma kunika Andrey a lokudla kwakhe, lowase ukuniketa thishela.

Thishela watsatsa lelantji yemfana wabonga kuNkhulunkhulu, wase ucala uyayihlephula. Umfana wabuka amangele abona basiti babhizi baniketa bantfu kudla. Bantfu bonkhe babedla futsi badla baze besutsa. Wabuka ngala wabona emabhakede langu 12 ekudla lokwakusele

Abesafisa kutsi utawufika nini ekhaya atococela make wakhe. Wagijima waya ekhaya wafike wamtjela ngalengkulu injabulo kutsi ilantji yakhe yondle 5,000 wemadvodza, nebesifazane kanye nebantfwana! Make wakhe waphendvukela kuye atsatsa umoya, "Ndvodzana, ngitokutjela kangakhi kutsi ungabotakhela tindzaba?"

- Singayijikisa njani lendzaba ibe yindlela yetibalo?
