- Uqhuba njani ekusebenziseni ezo zinto?
- Yintoni enye into onokuyenza?

Isifundo 3: Singazisa utshintsho

Funda uLuka 7:11-17

Zi-7 izinto esinokuzifunda kweli bali elithetha ngomntu ozisa utshintsho.

1. **UYesu wamqaphela.** Kwakukho abantu abaninzi kweso sikhawulele. Abafundi bakaYesu babenemincili ngenxa yommandlalo ababesandul' ukuwubona. Noko ke, uYesu wabona ephakathi kwesikhawulele. Ukuba siza kuba ngabantu abazisa utshintsho, kufuneka sibe ngabantu abaqaphelayo abanye. Kufuneka siqinisekise ukuba sibona abantu ngabanye, hayi isikhawulele nje.
2. **“Intliziyo yakhe yaba buhlungu kuye.”** Ukuba sifuna ukuzisa utshintsho, kufuneka sibe novelwano. Kufuneka sibe ngabantu abantliziyi zaphukileyo xa sibona iimfuno zabanye. Ngokufuthi siyeka ukubona kwaye siyake ukukhathala. Senza ntoni xa sibona umntu osweleyo kwindawo esikhawulele kuyo? Senza ntoni xa sibona umama onomyeni oshiye intsapho, okanye utatomkhulu nomakhulu eshiywe enyamekela abantwana abancinci? Ngaba sinovelwano? Cela uThixo akunike uthando olungakumbi kuluntu lwakho. Mcele ukuba akubonise abantu ekuhlaleni njengoko ebanona.
3. **Wanikela amazwi okhuthazo.** Ngokufuthi abantu bafuna umntu oza kubanyamekela nokubakhuthaza. Kulula ukucinga ukuba sifuna izixhobo zokunceda abantu ngokwenene kodwa ngokufuthi abo bafuna uncendo bafuna ngokwenene ukuba kubekho umntu oza kunye nabo aze abakhuthaze..
4. **UYesu wachukumisa ibhokisi.** Xa uYesu wenza oku, wenza into eyayingalunganga ngokwenkcubeko yakhe. AmaYuda ayekholelwa ukuba ungaze uchukumise ibhokisi, okanye uya kuba yinqambi. UYesu wayekulungele ukuba ngongahlambulukanga ukuze ancede umntu othile. Kufuneka sizimisele ukuzifaka emngciphekweni kwaye singcole ukuze sancede abantu. Abantu basenokuthetha ngathi okanye bangasithandi kodwa thina kufuneka senze le nto uThixo asibizele yona.
5. **Kukho amandla elizwini likaThixo nasemthandazweni.** Xa uYesu ethandaza umntu wavuswa ekufeni. Ungaze ulibale ukuthandaza phantsi kweemeko ojamelene nazo. Ziphe ixesha lokuthandazela abantu. Yenza njalo ukholelwa ukuba uThixo ngokwenene unokutshintsha imeko kwaye uzikhathalele zonke iintlobo zeemfuno. Fundisa abantu ukuthandaza ukuze bawazi amandla kaThixo.
6. **Kwabakho umphumo.** Umfana wavuswa ekufeni. Sifanele sibe neziphumo zomsebenzi wethu. Ukuba ufuna ukunceda, qala ngezinto ezincinci onokuzenza lula. Xa uphumelele, abantu baya kuba nemincili, kwaye abantu abaninzi baya kukulungela ukubandakanyeka. Ekugqibeleni uya kukwazi ukwenza izinto ezinzima ngakumbi.
7. **UThixo wazukiswa.** Ekugqibeleni, uzuko lufanele lubuyele kuThixo. Ngalo lonke ixesha uqinisekise ukuba xa yonke into sele igqityiwe uThixo nguye odunyiswayo.
