UMBUSO KANKULUNKULU

Ugwalo Lwezifundi

2.1 Izindatshana zesigaba

Enye indonda kwelaMaNdiya yahamba yayokwethekelela kwamanye amakhaya lapho eyayike yasebenzela khona. Yabuza omama ababehlala kuleyo ndawo ukuba ngabe uJesu nguye owayesongamela leyo ndawo ngabe leso sigaba sasinjani. U Umrayi omunye wabafazi ababekhululekile, wachaza isigaba esasilokubambana lokusebenzela ndawonye. Wayesazi ukuthi indlela isigaba esasingabambananga ngayo yayingamhloniphisi uJesu. Umuzi munye ngamunye wawuziphilela wodwa. Ngenxa yempendulo yakhe, omama bakulesi sigaba baqala ikhomithi ekhangelana ngenzempilakahle leqembu lokuzinceda. Omama abalitshumi lane ababekuleli qembu lokuzinceda baqala ukuthakazelela ukuhlangana ngezikhathi ababezivumelana. Iqembu leli lalihlanganisa imadlana ezazivela kulabo ababeseqenjini leli, limadlana yayifakwa ndawonye. Laqala ukuncedisa isigaba lapho esasihlangana lenhlupho khona. U umrayi waba nguye umongameli waleli qembu, wasebenzisa isipho sakhe sokukhokhela ukuhlela lokuhlanganisa isigaba ukuthi senze izinto uJesu ayengazenza nxa engumongameli waleso sigaba.

Amanye amakhosikazi ayevela funda iBhayibhili kwele Yuganda, akhetha ukusebenzela isigaba sawo ngendlela uJesu ayesebenza ngayo. Bahlela umsebenzi wabo wokwenza wakuqala : ukuhlangana incekekeza eyayiseduze kwebhawa lakuleso isigaba. Amakhosikazi amabili avela kuleli qembu aqunga isibindi angena kulelobhawa ayocela imvumo yokuhlangana leyo ncekenza. (esikhathini esinengi omama abangena emabhawa ngabanga mabele endlela.) Abanikazi baleyo ndawo bamangala, bahleka kodwa babanikeza imvumo. Lawa makhosikazi adinga abantu ababezancedisa esigabeni, abanengi bazinikela .Leliqembu lagebha amagodi amabili; elinye lalingena ingcekeza ebolayo kwelinye kungena ingcekeza ebolayo. Abajwayele ukusebenzisa ibhawa bathi bebona abanye behlangana ingcekeza yabo labo baqala ukuncedisa. Okwathokozisa isigaba yikuthi ngemva kwalesi senzo abanikazi bebhawa baqhubeka begcina lindawo ihlanzekile.

Bekhuthazekile, omama laba bakhetha ukwakhela imuli eziyisitshiyagalo lunye aizitofu ezisebenzisa amandla amalutshwana lokunika imbiza zokugcinela amanzi kulabo abaswelayo. Okwalandelayo, iqembu elaliyo funda ibhayibhili lenza umsebenzi omkhulu kulowakuqala; umkambo wesigaba. Omama bakulesi sigaba babejwayele ukuhamba umango omude, bethwele imibhida lemphahla zabo zokuthengisa . Umkambo oseduze wawuzabavumela ukwenza imali beseduze lemuli , isigaba lezivande zabo. Indawo yokwakhela yanikelwa kodwa yayiqanse kakhulu ukuthi kuqale ukwakhwa umkambo. Akhuleka lawa makhozikazi , amadoda ayesebenza ukulungisa umgwaqo ayesebenzela bucwadlana eza azolinganisa lindawo engabhadalwanga. Ngokusizwa nguNkulunkulu omama lababazuza bahlanganisa okokusebenzisa, bagcina imali, benelisa ukulungisa okwakubakhathaza abahlangana lakho, bawakha umkambo. Bakhula emoyeni besebenzela abanye bemele uJesu.

Xoxa

- Kwenzakaleni kweyinye ngayinye indatshana?
- Ngenxa yabantu abakulezi ndatshana, izigaba lezi zenelisa yini ukusondela kundlela okwakungaba ngayo nxa umuntu wonke angaphila ngendlela uJesu afisa ngayo? Kungani?
- Yiphi eminye yemisebenzi eyenziwa ngamaqembu akulezi zindatshana?
- Ungakwenza njani okufana lalokhu esigabeni sakho?

3.1 Iphepha lomsebenzi lendlela yokuziphatha yombuso wezulu.

4.1 Uhlelo lwengxoxo yeqembu elincane

Ukukhangela umsebenzi ngendlela yeBhayibhili

- 1 AbaseThesalonika 4:11-12

- Abase-Efesu 4:28
- 1 AbaseKorinte 10:31

UNkulunkulu ulendaba ngendlela esenza nayo umsebenzi wethu

Khangela amavesi alandelayo. Asifundisani ngomsebenzi? Emaqenjini amancane finyenzani impendulo emutshweni owodwa.

- 2 AbaseThesalonika 3:10-12
- Izaga 10:4
- Izaga 19:15

- Izaga 21:25

Ubona angani amavesi la asifundisani ngendlela okumele senze ngayo umsebenzi?

- AbaseKolose 3:23

5.1 Imuli eyodwa eyama Kristu idala umahluko

Imuli eyodwa eyamaKristu idala umahluko

Iminyaka emine edluleyo umvangeli ehamba kulindawo isigaba sonke sasingamaHindu. Amakhaya la ayetholakala ezintabeni ezibizwa kutha ngamaHimalaya. Bucwadlana lalawo makhaya kwakulensimu enkulu eyamahlamvu etiyi. Li nsimu yayisipha umsebenzi ebantwini abahlala kulawo makhaya. Loba kunjalo, inzuzo ababeyithola yayincane okukuthi abantu babephila nzima loba besebenza.

Kulindawo kwakulemizi engaba ngamatshumi amabili lanhlano, engakhekanga efulelwe ngamazenge. Kwakungela zambuzi kulamakhaya. Ngoba lamakhaya ayeyakhelwe endaweni ephezulu kwakuqanda kakhulu, kodwa loba kunjalo abantwa babehamba bengagqokanga lutho enyaweni belezisu ezivuvukileyo.

Indlu inye ngaynye yayisendaweni encane. Kwakuphekelwa emkhukwini owehlukene lendlu, emlilweni iseko lenziwe ngamatshe amathathu. Kwakule nkukhu ezilutshwane ezazigijigijima zingena ziphuma ezindlini njalo amaguma engcolile.

Isikolo sasingamakhilomitha amabili usuka kulamakhaya. Kwakukhatshana kakhulu ukuthi abantwana bahambe nsukuzonke njalo babelemisebenzi yokwenza duze lezindlu zabo. Ngakho abantwana banengi babengahambi esikolo. Abantu abadala abanengi babengenelisi ukubala lokubhala, ngakho babetshona besetshenziswa ngabantu abakwamanye amakhaya ababesenelisa ukubala lokubhala.

Kwakulezivande ezilutshwane ngoba amanzi ayetholakala ngemva kokuhamba amakhilomitha amabili. Kwakunzima ukuthwala amanzi okunatha lawokuwatsha, wona awokuthelela izivande ke? Kwakuke kwaba lephayiphi eyayivela lapho okwakulamanzi kodwa yayingasasebenzi labantu labo babengenzi lutho ngokulungiswa kwayo.

Izulu lalalisina ngezikhathi ezehlukeneyo, ngaphandle kwezinye izigaba lapho ababesenelisa ukulima irayisi. Kwakungela sikathi sokulima isivande. Bengaba lenhlanhla babesenelisa ukuvuna irayisi ebakwanayo ukuthi bafike ihlobo elilandelayo.

Abantu laba babengamaHindu ngakho babekhonza othixo abanengi abehlukeneyo. AmaHindu akhonza lokhuthethela kubothixo abanengi abangaba zinkulungwane. Amakhaya la ayelezithonjana ezinengi ezimela othixo laba. Izakhamizi zakula makhaya zazisidla zijikela okunye ukudla phansi zisenzela imimoya ehambahambayo.

Abantu laba babezizwa bengqotshiwe seblahlekelwa lithemba. Ithemba labo kwakuyikuthi empilweni ezayo bavuswe besesimeni esingcono. Kodwa kwakungenzeka ukuthi uma bengathokozisanga othixo babo babengavuswa beyizinja kumbe amagundwane. Babesizwa bebotshiwe, kungela ndlela yokuphuma njalo kungela ndlela engabasiza ukuthi babengcono.

ULepcha ngumvangeli owahamba kulindawo. Wabala ukuthi afunde okumqoka ngokunceda abanye ukuthi bakhuphule izinga lempilakahle yabo ngenyanga eyodwa. Uthe eqeda ukufunda wathutha

lemuli yakhe wayohlala kulamakhaya ukuze bayonceda omakhelwane babo ngokubabela lokhu ababekufundile. Babeleguma elihlanzekileyo belomkulu owawulendawo yokuphekela ephezulu, eyayisenza ukupheka kube lula njalo isebenzisa inkuni ezilutshwana. Babelesilugu esincane sokugcina inkukhu zabo. Bahlanyela isivande esincane, esakhuphukisa izinga lempilakahle zabantwana babo. Babelesambuzi phandle, abantwana babo babengela mawemusi, bengabulawa yizisu njengabanye abantwana kuleyondawo.

ULepcha wafaka inkonxa yokhukhongolozela amanzi ezulu phansi lapho amazenge ayehlangana khona ikhongolozela amanzi uma izulu lingabuya. Abanye bawuthanda lumcabngo labo benza okufanayo labo, kathesi uma izulu libuya labo bayabe belamanzi.

Badinga abantu abasebenzela ndawonye ukuthi bafake iphayiphi evela lapho okulamanzi eybe ibuya emakhaya, kathesi indaw yonke ilamanzi amanengi, amanzi akwana lokuthelelela izivande zabo ezitsha. Abantu abanengi sebelandele umbono wokwakha izilugu njalo sebakhe lezambuzi ezinganukiyo ezingela mpukane.

Imuli kaLepcha ifika kulindawo yaqala ukufundisa abadala labantwana ababefuna ukufunda ukubala lokubhala. Bafundisa abantwana ukubala. Kathesi lindawo ilesikolo esicina kuzinga lesine emfundweni yangaphansi.

Namhla kulesakhiwo esincane sesonto ngoba imuli ezingamatshumi amabili lantathu kwezimngamatshumi amabili lanhlanu sezilobudlelwano loKristu. Lokhu kungenxa yokuthi imuli yaba ngoKristu ngamazwi langezenzo zayo.

Abantu bezwa bephumelele, njalo bayabona ukuthi bangaphila belempilakahle ngoba imuli eyodwa yathanda ukuza ukuzowabelana impilo yayo labo.

Indatshana efanayo iyaxoxwa kanenginengi endaweni ezingenhla kwelaMandiya, lasempumalangayeNepal. Namhla izinto ezifana lalezi ziyenzakala endaweni ezingaba likhulu lamatshumi amabili kulindawo. Impilo zabantu seziguqukile. Abantu bayaguquka njalo emoyeni ngoba imuli zokuhlangana ezilikhulu lasikhombisa zesikhona ezikhulu zilabantu abangaba ngama khulu amabili.

Abafundisi abeIndiya sebaqala ibandla labo elithiwa yiAgape Church, lapho inengi lamabandla amatsha elizaya khona. Uma imuli eyodwa njenge kaLepchas, ilombono wokubona isigaba sayo siguqukile, izinto ezimangalisayo zingenze kuNkulunkulu uma idinga intando kaNkulunkulu njalo izimisele ukwenza lokho uNkulunkulu ayitshengise khona. Ezinye imuli seziguquke zalandela imuli zebandla ngokufundisa abantu abamqoka ebandleni. Kungumthandazo wethu ukuthi amabandla la abe yizibonelo zezigaba kwelizayo

- Yiziphi ezinye inguquko uLepcha azilethe esigabeni? Khangela lindatshana njalo wenze umbhalo phansi kwezihloko lezi, okwenhlalo, okukamoya, okokuhlakanipha, lokwenyama.
- Wenzani ukuthi alethe lezi nguquko? Waqala ngobani? Ngemuli yakhe

- Isigaba siguquke njani ngenxa kaLepcha?
- Ungenzani ukuthi ube njengoLepcha esigabeni sakho ?

5.2 Okwenziwayo ukuthi ube ngumakhi wombuso

1. Qala ngawe

Inyathelo lokuqala yikubona umbuso kaNkulunkulu usakhiwa, empilweni yakho, emulini yakho, ebandleni lakho, esigabeni sakho, lasemhlabeni ngelokuzihlola wena. Ukuthi uzimisele na ukusetshenziswa nguNkulunkulu? Uzimisele na ukulalela uNkulunkulu endaweni zonke zempilo yakho. Yizphi izinto ezilutshwane ongaziguqula kuliviki?

2. Fundisa njalo ukuthaze imuli yakho

Usaqala ukusebenzisa umbuso kaNkulunkulu enxeni zonke zempilo yakho kudingeka ukuthi uqale ukukhuthaza imuli yakho ukuthi yenze okufanayo. Njengoba sibala, kumele sibe sifundisa imuli zethu ngazonke izikhathi (UDetronomi 6:7) loba sisenzani. Dinga indlela zokufundisa imuli yakho ngendlela oyenza ngayo, ngokukhuluma layo, langokudinga indlela ezayanceda ukuthi iqale ukusebenzela abanye.

Khumbula izinto owazinikela ukwenza esifundweni indlela ozanceda ngayo imuli yakho ukuthi ikhule ezigabeni zonke ezine.

3. Cela uNkulunkulu akusebenzise ukuthinta abanye

Qala ukukhululeka ucela uNkulunkulu ukuthi akusize ukuthi uthinte abanye. Dinga amathuba. Lapho ubona abantu belesidingo, cela uNkulunkulu akutshengise indlela ongaba nceda ngayo labo bantu.

UNkulunkulu uzimisele ukusancedisa ukuthi sakhe umbuso wakhe. Uzasambulela ngesikhathi esifaneleyo, indlela eyiyo eyokuncenda.

4. Sebenzela abanye

Tholakala ezenzweni zothando udinge ezinye indlela zokusebenza. Loba uzizwa angani awenelisi ukwenza okunengi, umele usebenzise izipho uNkulunkulu akunike zona ekusebenzeni. Usasebenza uzathola ukhti uyaqala ukukhula njalo uyabe ususenelisa ukwenza okunengi

8.1 Amanyathelo okuhlela izenzo zothando

Inyathelo lokuqala: Umthandazo

Into yakuqala yokwenza yikuthandaza. Thatha isikhathi uthandaze. Cela uNkulunkulu akutshengise omele ukwenze esenzweni sakho sothando.

Inyathelo lesibili: Ukukhetha umsebenzi wokwenza

Liliqembu, khethani lokho elingakwenza njengesenzo sothando. Khangelani eminye imbono eliyilobe phansi esifundweni esile nhloko ethi “uNkulunkulu ufuna ibandla lincediswe” lesithi “yiziphi ezinye izidingo esigabeni.” Lonke vumelanani, ngalokho elizwa uNkulunkulu alikhokhela ukuthi likwenze.

Uma selikhethile isihloko, libone ukuthi yinto elingayenza ngelanga elilodwa kumbe amabili. Uma kungenzeki lingenza inyathelo elilodwa kumbe amabili?

Inyathelo lesithathu: Khethani okudingakalayo

Inyathelo elilandelayo ngelokuqala ukuhlela. Okwakuqala, kumele sikhethwe esikudingayo ukuze senze lowo msebenzi – kudingakala baphi abantu, iphi impahla yokusebenzisa, imvumo kabana lokunye. Ukukunceda ukuthi ucabange ngalokhu, ungasebenzisa iphepha lomsebenzi elisegwalweni lwenu lwabafundi. Ungagcwalisa ingxenye yakuqala ngalokhu okudingakalayo, sungakhetha ukuthi ngubani oyabe ekhangele lowomsebenzi lokuthi umele uphele ngaliphi ilanga.

Inyathelo lesine: Loba phansi lolo hlelo

Bona ukuthi uhlelo lwakho luyayiphendula imbuzo elandelayo. (Uma izinga lemfundo yezifundi iphansi akudingeki ukuthi uhlelo lolu lulotshwe phansi, kodwa bona ukuthi imbuzo elandelayo ixoxwe ngayo)

- Lizakwenzani?
- Kudingakalani ukuthi likwenze? Lizakuthatha ngaphi?
- Lizanceda bani? Selimbuzile na?
- Ngubani ozaphathisa ekuncedeni?
- Lizakwenza nini?

Inyathelo lesihlanu: Khuleka

Ungaqeda ukuloba uhlelo lwakho, thatha isikhathi sakho ukhuleke njalo. Cela uNkulunkulu akuncediswe ukuthi uqedise lomsebenzi lokuthi andise impumela. Khulekela ukuthi ibizo lakhe lidunyiswe. Ngeviki elandelayo kumbe amaviki amabili alandelayo usalungiselela umsebenzi wakho, umele ubukhulekela ukuthi uNkulunkulu akuncediswe kulowo msebenzi.

Inyathelo lesithupha: wenze lowo msebenzi

Inyathelo elilandelayo ngelokwenza lokho okuhlelileyo. Qala ilanga lakho ngomkhuleko unikele imizamo yakho kuNkulunkulu. Khumbula ukuthi umsebenzi lo uwenzela ukuthi utshengise uthando lukaNkulunkulu esigabeni senu. Zama ukuba esimeni esivumelana lalumqondo.

Inyathelo lesikhombisa: Hlola lumsebenzi unikeze umbiko

Inyathelo loku cina ngelokuhlola lokubika. Kungani kumele sihlale? Ngoba kuyasanceda ukuthi sifunde. Singacabanga ngalokho esikwenze kuhle lalapho okumele sinyukise izinga ngesikhathi esizayo. Lokhu akumelanga kuthathe isikhathi eside, lingathatha imizuzu emilutshwane lixoxe ngemibuzo le elandelayo:

- Kuyini okuhambe kuhle?
- Kuyini okungahambanga kuhle?
- Ungalungisisa ngaphi ehlelweni lolu?
- Impumela le yiyo okade uyikhangelele na? Uma kungayisiyo, kungani ingasiyo?
- udunyisiwe na?

Umbalisi wenu ulelomu lokuloba umbiko. Kungani siloba umbiko? KuMarko 6:30, sibona abafundi bebikela uJesu ngakho konke ababekwenzile. Siyabika ngoba kuyindlela yokuthembeka lokutshengisa ukubonga kulabo abasifundisileyo, labasilungisela impahla yokusebenzisa ezifundweni. Ukubika kukunika ithuba lokwaba lokho okwenzileyo unikeze ubufakazi bokuthi uNkulunkulu uyisebenzise njani imizamo yakho. Kunika ababalisi ithuba lokubona ukuba libe lenhluphona bathole indlela ezingcono zokulanceda kwelizayo.
