Lesson 4: Scripts

Introduction Monologue

A believer is having his devotional time and he reads Matt. 25: 14-30. Then he says,

'I wish I could be like the servant who was given 5 talents so I could do great things for God! But I feel sorry for the servant that was given only one talent. I think the Lord was too hard on him! Well, that's not my case because I don't think I have any talent or special gift to serve God and work for Him. Besides that, I am so poor! My reality is that I cannot help anyone else because I have so many needs myself. Oh Lord, please help me and give me a few talents to use…'

Common Excuses Roleplay

Old Person = "Oh, I wish I were still a young man. Then I would have the energy to serve the Lord with my talents. Now I am too old and tired."

Young Person = "Oh, I wish I were older. Then I would have more influence and I could really lead people to serve the Lord with my talents. t's too hard right now, because I'm so young."

Business Person = "Oh, I wish I had more time. I'm so busy with my work that I never have time to help others."

Uneducated Person = "Oh, I wish I were more educated. I don't know anything about theology. Only the pastor can really help others because he went to Bible school and has training."

Poor Person = "Oh, I wish I had more money. Then I could really serve the Lord. I'm too poor right now to help anyone besides myself."

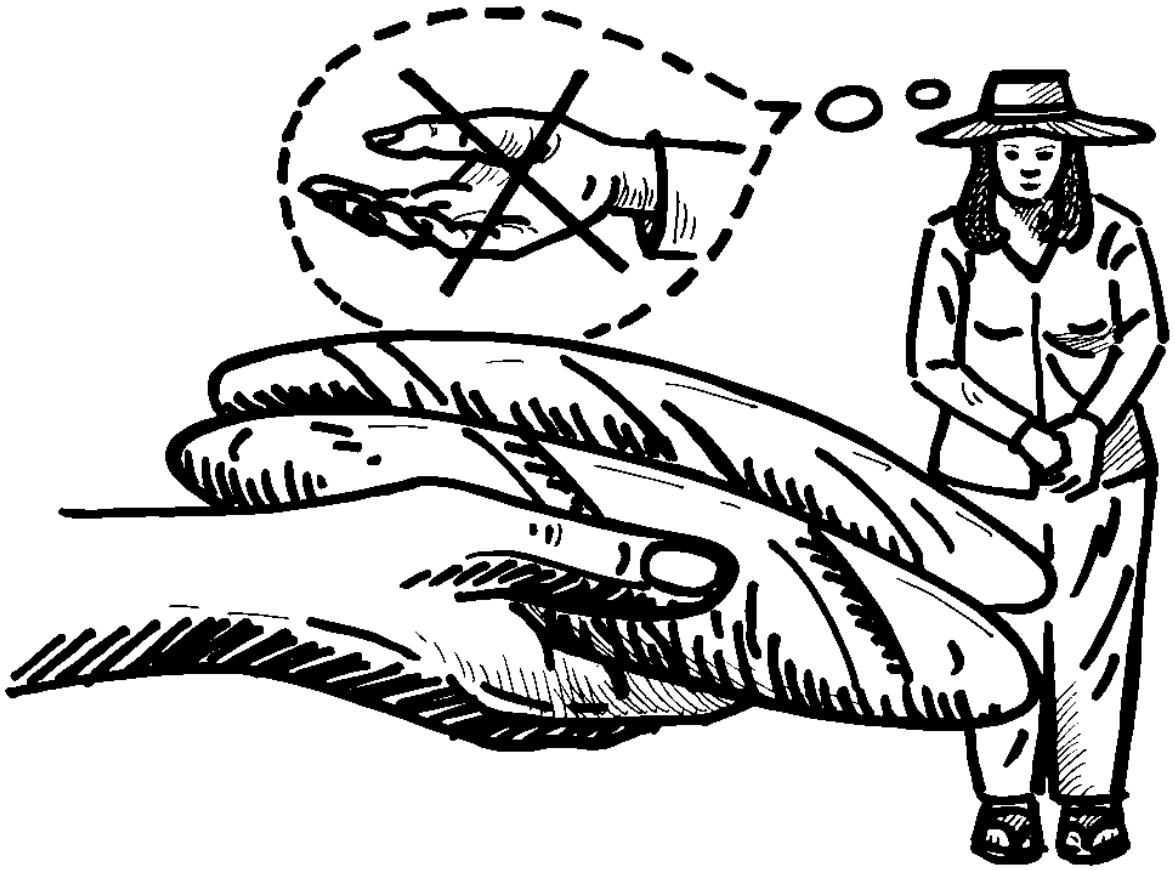
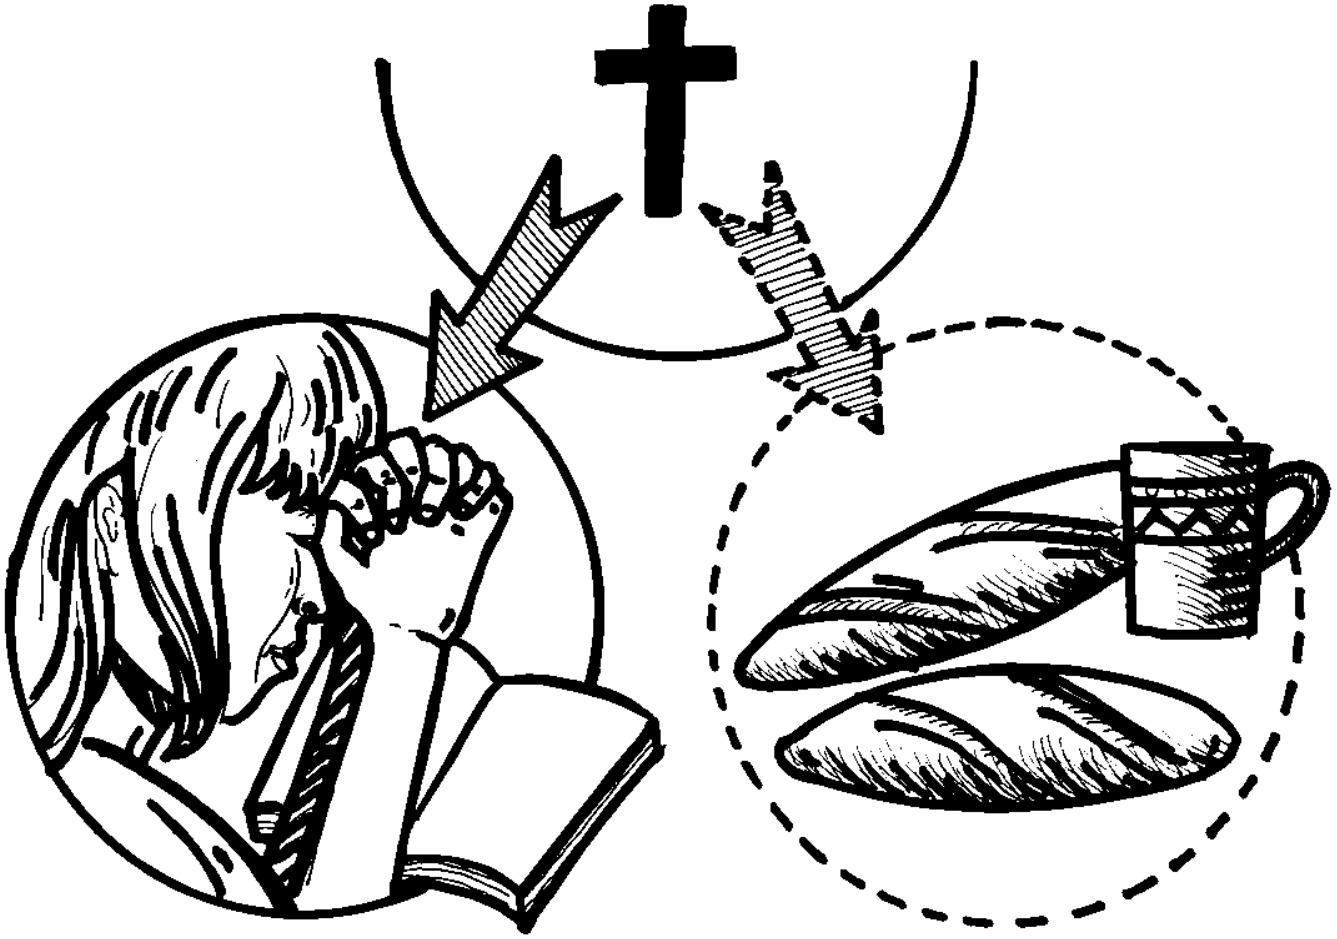
We were born poor
and we will die poor.

Work is a curse and a heavy burden. It is good to work as little as possible.

We are so poor that we don't need to give. Other people should give to us.

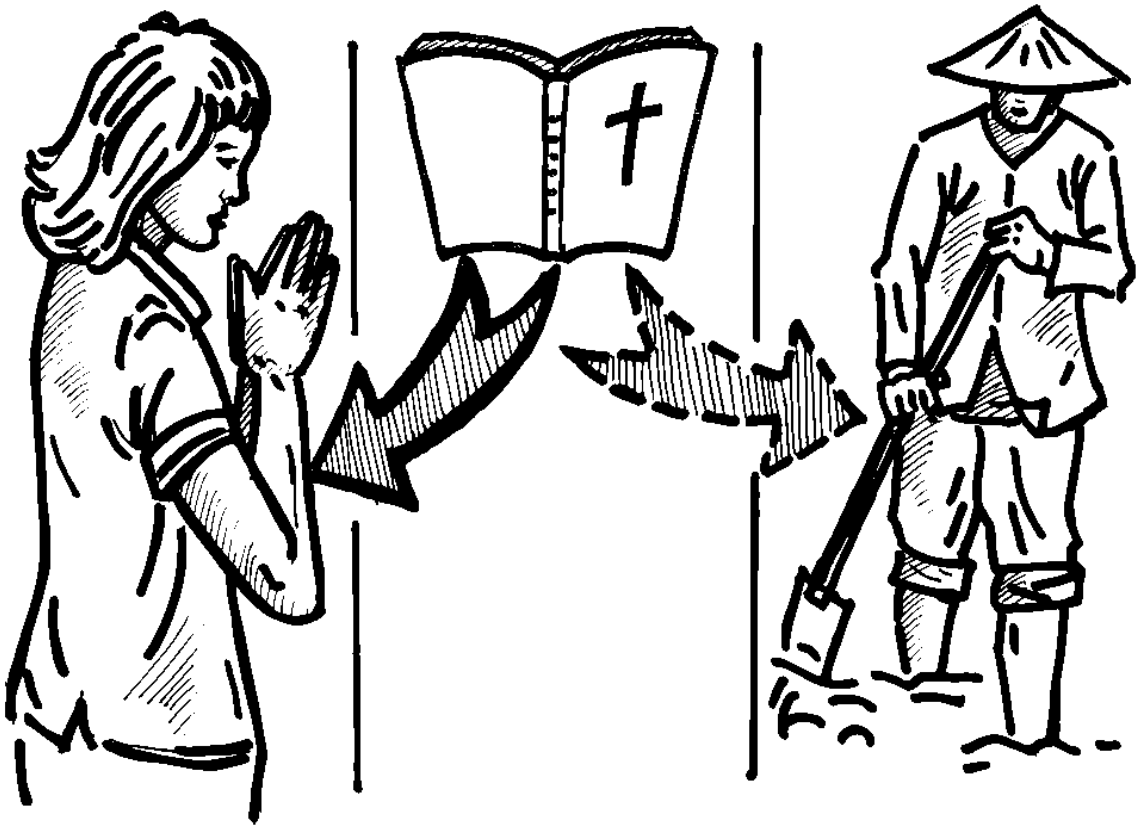


God only cares about spiritual things.



God only wants us to evangelize our neighbours we don't need to care for their physical needs.

We can’t change our lives without finances from someone else.

Some people are better than other people. We are not important.


The gospel message only affects our spiritual life.
